FOR IMMEDIATE RELEASE

East Dundee, IL- March 27, 2023. East Dundee Police Reports Success in Tobacco Compliance Checks

On March 23, 2023, East Dundee Police Detectives conducted compliance checks on all tobacco retailers within the community. East Dundee is pleased to report 100% compliance in tobacco compliance checks.

The compliance checks are performed to determine if local tobacco retailers are complying with Illinois minimum-age tobacco laws which prohibit the sale of tobacco to persons under the age of 21. With the help from a grant awarded by the Illinois Department of Human Service, East Dundee Police Department educates local tobacco retailers on minimum-age tobacco laws and the importance of verifying the age of customers before selling age restrictive products such as tobacco.

"We will continue our efforts to achieve 100% compliance from all of our retailers and insure the children in our community do not have access to tobacco products in East Dundee." said Chief James Kruger.

This campaign is funded by a grant through the Illinois Department of Human Service, Division of Substance Use Prevention and Recovery.
