Motion to Approve an Ordinance Authorizing a Development Agreement by and Between the Village of East Dundee and 811 Main St Apts LLC (855 E. Main Street Development) by Andresen/Mahony.

Discussion:

Administrator Johnsen explained that the development is a duplicate of the project that has already been built at the site. She also stated that the redevelopment agreement is also very similar and includes fee waivers for the impact fees and water and sewer connection fees. She advised that this parcel is owned by Plote/PAR Development. The developer is asking for TIF reimbursement for the site acquisition cost and an additional \$30,000 for site preparation costs. The value of the land is approximately \$360,000. Johnsen explained that the Village will reimburse 75% of TIF generated revenue not to exceed \$390,000. The Village’s share of the revenues to be generated over the life of the TIF District would be between \$200,000 and \$600,000. She advised that the parking requirement of 63 spaces has been met. The property will need to be rezoned from a B3 to an R5 as did the project for the 811 Main St. apartments.

Trustee Wood asked if the current entrance to the 811 apartments could be used as an access point when constructing the new project. John Curtis, General Contractor of the project, advised that an access point is already in place because access to the site was granted by Plote to the Dominick’s store previously. Trustee Lynam voiced his disapproval of waiving water and sewer connection fees.

Developer Joe Billitteri stated that the anticipated project start date is June 1.

Motion to Table an Ordinance Authorizing a Development Agreement by and Between the Village of East Dundee and 811 Main St Apts LLC (855 E. Main Street Development) for further discussion by Lynam. There was no second motion. Motion fails.

There was consensus to select logo option #2, as presented in the meeting packet, as the new official Village logo.

Dana Bernaeyge – Pete’s A Towing, Inc., 1079 Rock Road Lane, East Dundee

Ms. Bernaeyge stated that her towing establishment is required to have an eight foot solid fence. She said that other like businesses, such as auto repair shops, are not required to have an eight foot solid fence. She asked for clarity on the requirement difference. Administrator Johnsen responded that as part of the special use permit that was granted in October 2017, the Village adopted impoundment yard requirements. The condition for an eight foot fence was reduced to a six foot fence. Inspector Ranieri added that a citation was recently issued for not having a solid fence. He said there is currently a chain link fence with a fabric shield barrier. Ms. Bernaeyge advised that a wood, privacy fence is very costly with a quote of \$30,000. She explained that the current fencing is in good condition. President Miller asked Ms. Bernaeyge to email photos of the existing fence to Administrator Johnsen for further review and discussion.

Trustee Andresen joined the meeting at 5:03 p.m.

NEW BUSINESS:

A. FY2021 Budget Workshop

Administrator Johnsen gave a draft fiscal year 2021 budget presentation. She recommended that the Village Board adopt a cash balance policy for the General Fund and Water and Sewer Fund. This policy includes a reserve fund balance of 25% of budgeted expenditures and is recommended to include an additional 10% for cash flow purposes.

A new item introduced to the FY2021 budget is a leaf collection program through Flood Brothers. Leaves will be collected 4 times per year.

Tustee Kunze commented that the price for an ATV with a plow for the bike path snow removal is approximately \$2,000. He asked if this could be considered in the budget. Administrator Johnsen said that this should be workable. She agreed that the path is heavily used as a sidewalk and this would be beneficial to the downtown.

The Board was in consensus with the cash balance policy and assignment of cash reserves as presented, staffing levels and cost of living/merit increases, the consolidation of the water and sewer funds, and the rates for water, sewer and refuse as previously adopted. There was also consensus on the deferment list presented.

This section of the budget document provides a summary of the Village's financial operations, revenue assumptions and expenditures to occur within the budget year. The charts and graphs provide an easy to understand overview of the total revenues, expenses, and projected ending financial position for all of the appropriated funds of the Village. Highlights will encompass major changes, additions, or expenses being requested in the 2021 budget recommendation.

Impacts of COVID-19

It is important to contextualize the circumstances under which the budget was prepared for fiscal year 2021. In February 2020, Coronavirus 2019 (COVID-19) spread across the globe causing a humanitarian and financial crisis. Many cities and villages were impacted and the Village of East Dundee is no exception. Because the economic impacts of COVID-19 are relatively unknown, the Village developed a conservative budget with significant decreases in revenues and recommendations for deferred capital projects as well as a hiring freeze on filling any vacant positions.

On March 16, 2020, during the Village's budget workshop, staff presented a very optimistic outlook for projected revenue and the opportunity to complete many of the strategic goals. However, with the onset of COVID-19, the following revenues were altered to provide a more realistic view how revenues may come in:

Description	Initially Proposed	COVID-19 Proposed	Difference
Sales Tax	1,590,280	750,140	\$ (840,140) -53%
Home Rule Sales Tax	1,554,777	777,389	\$ (777,389) -50%

Traffic & Court Fines	73,098	33,098	\$ (40,000) -55%
Parking Fines	15,167	10,167	\$ (5,000) -33%
Towing/Police Fees	148,323	100,323	\$ (48,000) -32%
Community Events	10,000	-	\$ (10,000) -100%
Miscellaneous Income	8,000	-	\$ (8,000) -100%
General Fund Total	4,659,768	2,385,961	\$ (2,273,808) -49%

Description	Initially Proposed	COVID-19 Proposed	Difference
Video Gaming Tax	175,000	122,500	\$ (52,500) -30%
Video Gaming License	30,000	21,000	\$ (9,000) -30%
Capital Fund Total	205,000	143,500	\$ (61,500) -30%
Water Fees	804,207	724,207	\$ (80,000) -10%
Sewer Fees	907,822	820,822	\$ (87,000) -10%
Availability Charge	140,000	125,000	\$ (15,000) -11%
Water & Sewer Fund Total	1,852,029	1,670,029	\$ (182,000) -10%
TOTAL REVENUE CHANGES	6,716,797	4,199,490	(2,517,308) -37%

The Village of East Dundee's 2021 total expenditures are recommended at \$12.4 million, an overall increase of 6% from \$11.7 million from the projected End-of-Year 2020 budget. Compared to the 2020 adopted budget, the 2021 budget is decreased by 2% or \$276,761. The budget includes \$10.9 million in estimated revenues, thereby resulting in Cash Balance or Net Position of negative \$1,522,134 in FY21. The negative Cash Balance is due to the projected decrease in revenues specifically for sales taxes.

The following projects were eliminated from this year's budget and deferred to the next fiscal year. Those projects are noted below:

Description	Amount	Detail
		Eliminates Part-time Office Assistant, Public Works Laborer, Public Works Seasonal, and Police Deputy Chief. Includes Insurance, FICA/Medicare and
Personnel	\$ 263,888.54	IMRF costs.
		Removes the additional contribution as recommended
Police Pension	\$ 175,865.00	by Lauterbach & Amen
Community Events	\$ 117,320.00	Eliminates the entire Community Events budget
Police Vehicle	\$ 85,850.00	Replacement of 2 patrol vehicles
Road Project	\$ 225,000.00	Street repairs, seal coating, etc.
Developer Reimbursement	\$ 60,000.00	Downtown Signage and Façade grant
Capital Improvements	\$ 280,000.00	National Tools; eliminated as grant may not be funded
VH Maintenance	\$ 25,000.00	Project was originally \$75,000
Water Meters	\$ 40,000.00	Purchase of 200 water meters
TOTAL CUTS	\$ 1,272,923.54	

While the Village is preparing for the "worse case scenario," if revenues come in better than projected, there is potential to complete some of the projects that are on the cut list. As a result of the decrease revenues, the Village is projecting to use approximately \$1.6 million of General Fund reserves.

Total Village Revenues

Total revenues for FY21 are projected at \$10,885,877, a -9% or \$1,072,645 decrease over FY20 budget. As noted in the chart below, 46% of the Village's total revenue consists of General Fund revenue such as property, sales, and Home Rule Sales taxes. In FY20, the Board identified Video Gaming revenues from the State and local licensing fees to be earmarked for Capital Projects. Due to COVID-19, the revenues related to Video Gaming were reduced by 30%. Motor Fuel Tax revenue is determined, per Capita, by the State of Illinois. Street and Bridge revenues are obtained by a levy of up to .06% of property taxes. Water and Sewer Fund revenues consists of user fees generated through water and sewer services the Village provides to residents and businesses. Also, approximately 17%, or \$469,060, of the Water and Sewer Fund revenue is the Village of West Dundee's principal and interest payment for the 2005 IEPA Loan. Due to COVID-19, the revenues for Water and Sewer Fund were reduced by 10%.

Total Revenues by Fund

Total Village Expenditures

Total expenditures for FY21 are proposed at \$12,408,012, a -9% or \$1,072,645, decrease over FY20 budget. The decrease is due to the reduction of funding major purchases and projects that may have been budgeted for in the previous year. This year, the Village is budgeting for street resurfacing (Capital Fund), new financial software (Capital and Water and Sewer Fund), purchase of a new Public Works dump truck vehicle and other miscellaneous equipment (Capital Fund). The TIF Funds fund debt service and redevelopment agreement obligations are also budgeted at the appropriately scheduled amount even with the potential impacts of COVID-19. The Village is funding approximately \$500,000 in new projects, purchases, and additional expenditures.

Village Debt Obligations

The Village's debt obligations are identified below. The IEPA Loan 2005 is 100% funded by the Village of West Dundee. JD Byrider, a local business, supports the bond payment for 2012B GO Bond by making monthly prearranged payments to the Village. In FY21, the Village eliminated the transfer from Prairie Lakes TIF Fund 35, Christina Drive TIF Fund 36, Dundee Crossings TIF Fund 36, and Downtown TIF Fund 39 to support the debt service in the Water Fund for Well No. 6. However, those same TIF Funds, through budget transfers, support the debt service payment for the 2012A GO Bond in the 2012A Bond Reserve Fund 48.

Summary of General Fund Revenues

Primarily due to taxes, General Fund revenues are projected to decrease by 31% or \$1,703,935 over the projected End-of-Year estimate in FY20. Approximately 39% of General Fund revenues consist of sales taxes. The Village's property taxes are used to fund 100% of the Police Pension obligation. The levy is established by the Department of Insurance actuarial report. A new Cannabis Excise Tax, \$.80 per Capita, was added to the revenue list this Fiscal Year with the State's adoption of the Cannabis law at the start of 2020. The Other Revenues category is projected to decrease by nearly 7% due to the low projection in investment income and reimbursements. FY20 experienced above average investment income compared to previous years actuals.

Summary of General Fund Expenses

The Village has seven operating departments that are funded solely by General Fund revenues. Those departments include: Administration, Building, Community Events, Finance, Public Works, Police and Refuse. In FY21, the Village consolidated the following departments to allow for increased transparency and streamlined accounts payable processing for the Finance department. Boards and Commissions 01-16 was consolidated into several departments based on the type of expenditure; Streets 01-31, Building and Grounds 01-35, and Storm Water 01-36 were all consolidated to make one Public Works department 01-31; and Non-Department 01-39 was also consolidated into several departments based on the type of expenditure.

As noted in the graphic below, expenditures in the General Fund remained relatively flat from FY2017 to the estimated End-of-Year projection for FY2020. Projected FY2021 expenditures are 2% or \$116,811 more than the FY2020 budget of \$5,411,832. This increase is due to increases personnel costs in the Police department, include the Police Pension contribution.

Below is a breakdown of each department's budget by expenditure category to provide a better understanding of cost per department. 68% of all General Fund expenses are personnel costs. Personnel cost is inclusive of salary and wages, overtime, FICA, pension payments to IMRF or the Police Pension, and employee insurance.

Personnel

For reference, the chart below shows a breakdown, by percentage, of each department's portion of the entire General Fund expenditure total. The Police department accounts for 58% of the total budget. This is the largest department in the Village with the most number and some of the highest paid employees. Moreover, the pension contribution is about 80% of each employee's total salary. Administration and Public Works departments have the next highest percentage of expenses. This is primarily due to the redistribution of salary and other personnel costs related to those two departments. With the consolidation of the Boards & Commissions (01-16) department, the salaries previously allocated to the department were moved into Administration. Likewise, personnel expenses previously charged to the Water and Sewer Funds by various percentages have now been more fairly distributed to accurately reflect the employee's work in both the General and Water and Sewer Fund. This has reduced personnel cost in the Water and Sewer Fund but have increased the same expenditure category in the General Fund.

Expense Distribution by Department

Also in FY21, expenses for IT, payroll, risk insurance, and landline telephone service have been split into each department based on the total percentage of personnel cost per department.

Summary of Capital Fund

In 2019, the Village implemented a five year Capital Improvement Plan that included major projects and purchases of vehicles and equipment over \$20,000. The identified items meet the strategic planning goals as determined by the Village Board for 2020 through 2025. The following projects have been budgeted for from the Capital Plan:

- Road resurfacing, crack seal coating, and road patching
- Enterprise Resource Planning system (Financial software – a portion)
- Starcomm radios
- Live scan replacement
- Village Hall maintenance
- Public Works dump truck (a portion)

Summary of Special Revenue Funds

The Village has three Business Development Districts (BDDs) and eight Tax Increment Finance Districts (TIFs). Due to COVID-19, the Village has only budgeted to fund the Village's debt service and redevelopment agreements. Unfortunately, some of the BDD and TIF Funds do not generate the revenue necessary to meet all of its financial obligations. As a result, Interfund Advances (loans) are made between the funds and are to be paid back to the receiving fund once it is financially able to do so. The amounts noted below may be amended based on the revenues received within the Funds.

This year, the Village has identified the following Interfund Advances:

<u>Receivable Fund (Lender)</u>	<u>Payable Fund (Borrower)</u>	<u>Budgeted Amount</u>
Downtown & Dundee Crossings BBD 34	Route 25 TIF Fund 46	\$ 265,022.0

Summary of Enterprise Fund

In FY21, the Water Fund 60 and Sewer Fund 61 were consolidated to create one enterprise fund as a part of the Village's efforts to streamline internal processes and transparency. The new fund is the Water and Sewer Fund 60. Projects identified in the Village's five year Capital Improvement Plan related to the Water and Sewer Fund is as follows:

- Rebuild clarifier
- Replacement RAS/WAS pump
- Public Works dump truck (a portion)
- Enterprise Resource Planning system (Financial software – a portion)

Additionally, \$50,000 was included in this year's budget to accommodate and unexpected purchases or projects that may be incurred over the course of the year.

The Compensation Plan is approved by the Village Board as part of the legal budget and it sets the authorized number and classification of positions as well as the minimum and maximum salary levels for those positions. Annual adjustments to the plan are included as part of the initial budget proposal presented to the Village Board and review of the plan is part of the budget process. Recommended changes are based on an analysis of the staffing needs of the Village, economic and labor market conditions, and the classification of positions. The Compensation Plan authorizes the number of full-time, part-time, and temporary positions for each budget year and approves the number of hours for the regular and temporary part-time positions. The Compensation Plan also authorizes the compensation ranges for all positions, including full-time represented, full-time non-represented, regular part-time, and temporary or seasonal positions.

The Village's compensation plan has the following objectives:

- To obtain the highest degree of employee performance and morale through fair and equitable salary administration;
- To ensure that salaries paid are internally equitable and consistent within and between position of similar function;
- To ensure that salaries paid are fair and competitive within the relevant labor market;
- To provide recognition and reward for differences in individual performance; and
- To provide an effective means of budgeting and ensuring that salary and related expenses can be sustained within the economic realities of the Village.

Cost of Living Adjustment (COLA) Increase:

- All employees will receive the annual COLA of 2.75% which is based on the Police Department's Collective Bargaining Agreement for Fiscal Year 2021.

Merit Increases:

- All employees are eligible for annual merit pay through their annual performance review.
- A merit increase is defined as an in-range increase in salary granted as recognition for sustained excellent performance on the job.
- The amount of the merit increase may vary from employee to employee based on differing levels of performance attained and fairness to all employees:
 - Department Heads: Up to 3%
 - All Other Employees: Up to 1%

RE: Approval of IDOT Resolution Authorizing the Utilization of Motor Fuel Tax Funds for Maintenance of the Village's Roadway System

Background: The expenditure of Motor Fuel Tax (MFT) funds requires the approval of the Illinois Department of Transportation (IDOT). The corporate authorities of each municipality must adopt a resolution appropriating such MFT funds. The resolution indicates how MFT funds will be used and must be submitted to IDOT for approval.

The MFT Fund of the Village's FY 2021 Budget proposes \$70,750 for street light electricity and road salt for snow and ice control. Attached are the requisite IDOT forms (BLR 14220 and BLR 14222) that allow the Village to expend MFT funds for the general maintenance of the Village's local roadway system (i.e. street lighting, snow & ice control, pavement patching, traffic signals, etc.).

Action Requested:

Motion to approve an Illinois Department of Transportation Resolution for Maintenance Under the Illinois Highway Code in order to expend \$70,750.00 in Motor Fuel Tax Funds for the purpose of maintaining the Village's local roadway system.

PROCLAMATION

**ARBOR DAY April
24, 2020**

WHEREAS, in 1872 J. Sterling Morton proposed to the Nebraska Board of Agriculture that a special day be set aside for the planting of trees; and

WHEREAS, this holiday, called Arbor Day, was first observed with the planting of more than a million trees in Nebraska; and

WHEREAS, Arbor Day is now observed throughout the nation and the world; and

WHEREAS, trees can reduce the erosion of our precious topsoil by wind and water, cut heating and cooling costs, moderate the temperature, clean the air, produce oxygen and provide habitat for wildlife; and

WHEREAS, trees in our city increase property values, enhance the economic vitality of business areas, and beautify our community; and

WHEREAS, trees are a renewable resource giving us paper, wood for our homes, fuel for our fires and countless other wood products; and

WHEREAS, trees, wherever they are planted, are a source of joy and spiritual renewal.

NOW, THEREFORE, I, LAEL MILLER, President of the Village of East Dundee, do hereby proclaim April 24, 2020 as Arbor Day in the Village of East Dundee, and I urge all citizens to celebrate Arbor Day and to support efforts to protect our trees and woodlands, and

Further, I urge all citizens to plant trees to gladden the heart and promote the well-being of this and future generations.

IN WITNESS, THEREOF, I have hereto set my hand officially and caused to be affixed the seal of the Village of East Dundee, this 20th day of April 2020.

Lael Miller,
Village President
