He said there was a heavy rain shortly after and there was no flooding. He asked if the same approach could be done for an area on Howard Street by tapping into a swail. Engineer Heinz stated that the area is currently fed by dry wells and it takes a lot of time for the water to infiltrate. He said over time, the dry wells are less and

less effective. Therefore, new dry wells will need to be installed or the Village would need to pipe into an open basin. He said the area would need to be studied.

Motion to Approve an Ordinance Approving a Variation for a Front Yard Setback for an Accessory Structure in the E- Estate District at 509 Maxwelton, East Dundee, IL 60118 by Mahony/Wood.

Discussion:

Trustee Kunze asked the Maxwelton property owner how he feels about the conditions recommended by the Planning and Zoning Commission to plant trees to screen the accessory structure. Property owner, Mike Montague, said that the trees will block air flow and light and create mold problems. There was some discussion on the how the language reads in the ordinance for this condition. Administrator Johnsen explained that the intent is for the tree growth to screen the accessory structure after a growth period of five years. There was consensus of the Board to add language to clarify this. There was also discussion on the amount of screening to be done and the materials used for the accessory structure. Attorney Molina explained that the second condition listed in the ordinance refers to the plan. He said the plan includes the approved materials to be used for the structure. He also suggested adding language that the landscaping proposal would need to be approved by the Village Engineer.

Motion to amend the original motion to include language in the first condition of the ordinance that the petitioner must make a reasonable attempt to screen portions of the accessory building from street view. And the planting of such trees shall be as approved by the Village Engineer by Mahony/Wood.

Assistant Village Administrator Mitchell advised that this next coming year, the Village was to pay West Dundee \$54,000 for general services as well as additional items which would bring the cost up to between \$80,000-100,000.

Andresen: Apologized for missing last week's meeting. He said he was out of town where there was little to no cell phone service available.

Kunze: Saw an announcement today from Diamond Jim's that they were temporarily closing due to COVID cases in the area. President Miller advised that he heard from the owner that there was a positive COVID case at another establishment where a Diamond Jim's employee also works.
