PART II. APPLICATION REQUIREMENTS

The following table provides the type and quantity of materials required to be submitted with a Preliminary Plat application. The number associated with each material corresponds with the number used in Part II of the *Village of East Dundee Instruction Manual for Application for Development Approval* where each material is described in greater detail.

Please note that when two quantities of drawings are required (such as: 3/1), the first number indicates the number of full-size drawings to be submitted (at a scale of at least 1" = 20' and no larger than 30" x 42") and the second number indicates the number of reduced (11"x17") copies to be submitted as well as, an electronic file of the document should be submitted either via email, jump drive or CD. At least one of the original full-size drawings should be signed and sealed by the preparer. For ease of distribution, please collate into packets all of the materials where multiple copies are required. Packet contents should be assembled in order, except for drawings which should all be collated together at the back of the packet.

The required materials and number of copies shown below are the minimum necessary to submit a complete application. Village staff, consultants, review agencies, commissions, and boards may require additional materials and/or copies as necessary to fully evaluate the proposed project. A pre-application conference with the Plan Commission is required. At the meeting, the Plan Commission may add or delete items from this list as they deem appropriate.
