Re: Ordinance to Abate Taxes Related To Bond Issues

As a rule, the County Clerk's Tax Extension Office will automatically levy the dollars associated with bond principal and interest payments. The 2012 GO Bond, the 2012 Taxable Bond (Byrider) and the 2012 Special Revenue Bond (GatGuns) were approved based on the fact that the TIF districts would fund all debt service payments rather than levying a special tax. As was done with last year's tax levy, the Board is requested to adopt the attached ordinance abating all tax levies associated with TIF debt service.

Please let me know if you have any questions or concerns.
