**FIRST AMENDMENT TO THE
DUNDEE GATEWAY BUSINESS DISTRICT
DEVELOPMENT PLAN**

I. *Introduction.*

The Business District Development and Redevelopment Law enacted in 1973 has been significantly amended from time to time (65 ILCS 5/11-74.3-1 *et seq.*) (the “BDD Act”), to expand and enhance the powers of municipalities to revitalize and redevelop commercial areas. The objectives of the Dundee Gateway Business District Development Plan (the “Business District Plan”) are to reduce or eliminate blighting conditions in the “Village of East Dundee, Illinois, Dundee Gateway Business Development District” (the “Business District”) and to enhance the tax base of the Village of East Dundee, Kane and Cook Counties, Illinois (the “Village”) by assuring opportunities for development or redevelopment and attracting sound and stable commercial growth, all in accordance with the provisions of the BDD Act.

On October 19, 2009, by Ordinance No. 09-30, the President and Board of Trustees of the Village (the “Corporate Authorities”) designated the Business District, approved the Business District Plan, and imposed a one-half of one percent (1/2%) retailers’ occupation tax and service occupation tax, after public hearings pursuant to notices, all as required by the BDD Act in effect as of said date. The Corporate Authorities have now determined that the Business District Plan, as approved in 2009, should be amended to increase the retailers’ occupation tax and service occupation tax upon businesses in the Business District from ½ of 1% to ¾ of 1%.

II. *Amendment to Section VII of the Business District Plan.*

Upon designation of the Business District, the Village imposed a retailers' occupation tax and a service occupation tax (the "*Taxes*") within the Business District, at a rate of one-half of one percent (1/2%) of gross receipts from sales made in the course of any business within the Business District. Such tax was not to be applicable to the sales of food for human consumption that is to be consumed off the premises where it is sold (other than alcoholic beverages, soft drinks, and food that has been prepared for immediate consumption), prescription and nonprescription medicines, drugs, medical appliances, modifications to a motor vehicle for the purpose of rendering it usable by a disabled person, and insulin, urine testing materials, syringes, and needles used by diabetics for human use.

In order to continue with the implementation of the Business District Plan, it is necessary to increase the Taxes as originally imposed from 1/2 of 1% to 3/4 of 1%.

The proceeds of these Taxes shall continue to be used during the term of the designation of the Business District for the planning, execution and implementation of the Business District Plan, the payment of business district project costs as permitted by the BDD Act and the payment of any obligations the Village may have issued or shall issue to provide for the payment of business district project costs.

III. *Affirmation of the Provision of the Business District Plan.*

Other than the increase in the Taxes as hereinabove set forth, all other terms, conditions, provisions and covenants stated in the Business District Plan are hereby affirmed as if fully restated in this First Amendment.
