To the Developer's knowledge, there are no actions, suits or similar proceedings pending or threatened before any court or governmental or administrative body or agency affecting the Developer which would result in any material adverse change to the Developer's financial condition or which would materially and adversely affect the ability of the Developer to complete the Project and operate its Business.

(b) The Developer covenants that no officer, employee or agent of the Developer, or any other person connected with the Developer, has made, offered or given, either directly or indirectly, to the Corporate Authorities or any other person connected with the Village, except for payments for which adequate and fair consideration was received in return, any money or anything of value as a gift or bribe or other means of influencing his or her action in his or her official capacity with the Village.

If such default cannot be cured within such thirty (30) day period, said thirty (30) day period shall be extended for such time as is reasonably necessary for the curing of the same, as long as the Developer is diligently proceeding to cure such default. A default not cured as provided above shall constitute a breach of this Agreement. Any failure or delay by the Village in asserting any of its rights or remedies as to any default or alleged default or breach shall not operate as a waiver of any such default or breach or of any rights or remedies it may have as a result of such default or breach.

(b) If the Developer fails to cure any default after the expiration of the cure period described in subparagraph (a), the Village may terminate this Agreement or seek specific performance; provided however, that if the Developer's failure to cure is with respect to its failure to commence to construct the Project in accordance with Section 3(c), then the Village's sole remedy shall be to terminate this Agreement.

A default not cured as provided above shall constitute a breach of this Agreement. Any failure or delay by the Developer in asserting any of its rights or remedies as to any default or any alleged default or breach shall not operate as a waiver of any such default or breach or of any rights or remedies it may have as a result of such default or breach. In the event of a breach of this Agreement by the Village, the Developer may institute legal action for specific performance against the Village and the Developer shall be entitled to recover monetary damages limited to amounts due to the Developer and unpaid under this Agreement.

(d) Upon any dispute between the parties under this Agreement, the prevailing party shall be entitled to recover from the non-prevailing party reasonable attorneys' fees, costs and expenses incurred in contesting such dispute.

(e) Neither party to this Agreement shall be entitled to or shall have liability for consequential or punitive damages under the provisions, terms or conditions of this Agreement

(f) It is hereby agreed by the Developer that no recourse for any claim under or upon any obligation contained in the Agreement shall be had against the Village, its officers, agents, attorneys, representatives, or employees, in any amount in excess of any specific sum agreed to be paid by the Village pursuant to this Agreement; and no liability, right, or claim at law or in equity shall be attached to or incurred by the Village, its officers, agents, attorneys, representatives or employees in any amount in excess of any specific sums agreed by the Village to be paid hereunder, and any such claim is hereby expressly waived and released as a condition of and in consideration for the execution of this Agreement by the Village.

Re; 311 Barrington ave LLC.

Dear, Robert Skurla & Staff

311 Barrington Avenue LLC has attached a drawing representing the future lot lines that will be owned by the LLC and what will be deeded to the village to construct the parking per the redevelopment agreement. We have noted the 10 parking spaces that will belong to 311 LLC that goes with the building for the apartments.

Note: I have drawn in future parking layout if the property in back becomes to fruition it would be very easy to extend as this is every one's goals.

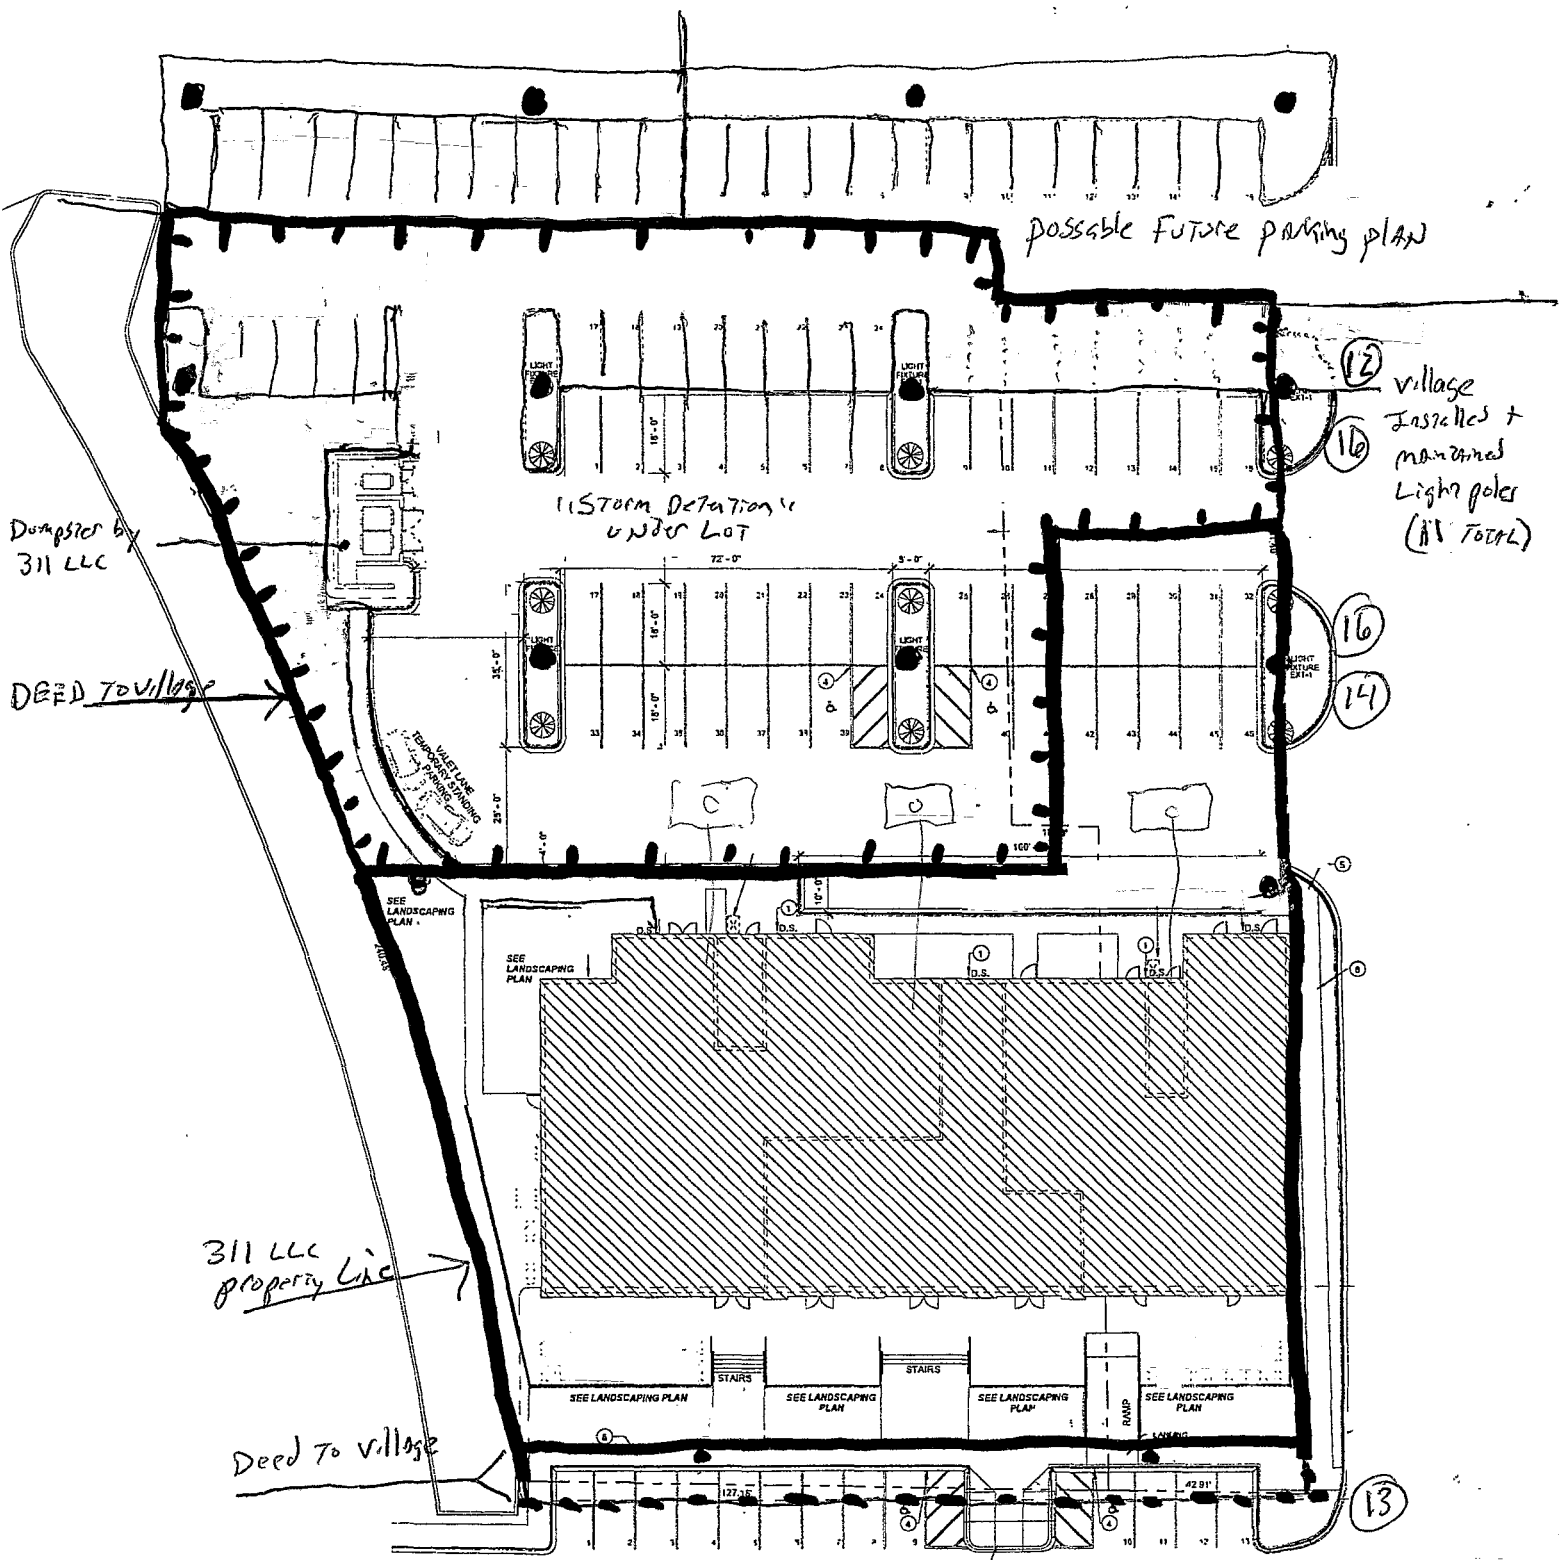

311 LLC is proud to be in partnership with the village on the project and thank you for all your attention and planning on this awesome project that we will all be proud to be a part of.

If you have any questions, please call to discuss.

Sincerely,
