WHEREAS, the Corporate Authorities are now authorized to issue bonds in the aggregate issued amount of \$2,865,000 (the “Maturity Amount”) in accordance with the provisions of the Act, and the Corporate Authorities hereby determine that it is necessary and desirable that there be issued at this time \$2,865,000 in issued amount of the bonds so authorized;

NOW THEREFORE, BE IT ORDAINED BY THE VILLAGE PRESIDENT AND BOARD OF TRUSTEES OF THE VILLAGE OF EAST DUNDEE, KANE AND COOK COUNTIES, ILLINOIS, AS FOLLOWS:

Section 1. Incorporation of Preambles. The Corporate Authorities hereby find that all of the recitals contained in the preambles to this ordinance are full, true and correct and does incorporate them into this ordinance by this reference.

Section 2. Authorization. Section 3. Bond Details. There shall be borrowed on the credit of and for and on behalf of the Village, in the sum of \$2,865,000 for the purpose aforesaid and that the Village shall issue in the name of the Village its “*General Obligation Refunding Bonds, Series 2016*” (the “Bonds”) in an aggregate amount \$2,865,000 for the purpose of the payment of the costs of the Project, the Refunding and the payment of costs of issuance. The Bonds shall each be designated “General Obligation Refunding Bond, Series 2016.”

The Bonds shall be issued in amounts of \$5,000 or any integral multiple thereof, shall be numbered consecutively from R-1 up and shall be dated date of closing, and interest shall accrue from the date of initial delivery. Interest on the Bonds shall be payable semiannually on June 1 and December 1 of each year, commencing on December 1, 2016. Interest shall accrue on the basis of a 360 day year consisting of twelve 30-day months.

Section 4. Registrar and Paying Agent. Amalgamated Bank of Chicago, Chicago, Illinois is hereby appointed to serve as Registrar and Paying Agent for the Bonds (the “Registrar” or “Paying Agent”). The Registrar is hereby charged with the responsibility of authenticating the Bonds.

The Bonds shall be payable at the principal office of the Paying Agent. If the payment date occurs on a date when financial institutions are not open for business, the payment shall be made on the next succeeding business day. The Paying Agent shall be instructed to wire transfer payments by 1:00 p.m. (New York City time) so such payments are received by the registered owner by 2:30 p.m. (New York City time). All payments on the Bonds shall be made in any coin or currency of the United States of America, which on the date of such payment shall be legal tender for the payment of public and private debts.

Each Bond shall be transferable or exchangeable only upon the books of the Village kept for that purpose at the principal office of the Registrar by the registered owner in person, or by its attorney duly authorized in writing, upon surrender of such Bond together with a written instrument of transfer or exchange satisfactory to the Registrar duly executed by the registered owner, or its attorney duly authorized in writing, and thereupon a new fully registered Bond or Bonds of a like series of Bonds in an authorized aggregate principal amount and of the same maturity, shall be executed and delivered in the name of the transferee or transferees or the registered owner, as the case may be, in exchange therefor. The Registrar shall not be required to transfer or exchange any Bond during the fifteen (15) days prior to a principal payment date and ending on such principal payment date. The costs of such transfer or exchange shall be borne by the Village except for any tax or governmental charge required to be paid with respect to the transfer or exchange, which taxes or governmental charges are payable by the person requesting such transfer or exchange. The Village, Registrar and Paying Agent for the Bonds may treat and consider the person in whose name such Bonds are registered as the absolute owner thereof for all purposes including for the purpose of receiving payment of, or on account of, the Maturity Amount.

The Registrar and Paying Agent may at any time resign as Registrar and Paying Agent upon giving 30 days' notice in writing to the Village and by first class mail to each registered owner of the Bonds then outstanding, and such resignation will take effect at the end of such 30 day period or upon the earlier appointment of a successor registrar and paying agent by the Village. Any such notice to the Village may be served personally or sent by registered mail. The Registrar and Paying Agent may be removed at any time as Registrar and Paying Agent by the Village, in which event the Village may appoint a successor registrar and paying agent. The

Village shall notify each registered owner of the Bonds then outstanding by first class mail of the removal of the Registrar and Paying Agent. Notices to the registered owners of the Bonds shall be deemed to be given when mailed by first class mail to the addresses of such registered owners as they appear on the registration books kept by the Registrar.

Upon the appointment of any successor registrar and paying agent by the Village, the Village President or the Treasurer is authorized and directed to enter into such agreements and understandings with such successor registrar and paying agent as will enable the institution to perform the services required of a registrar and paying agent for the Bonds. The Village President and Treasurer are further authorized to pay such fees as the successor registrar and paying agent may charge for the services it provides as registrar and paying agent.

Any predecessor registrar and paying agent shall deliver all of the Bonds and any cash or investments in its possession with respect thereto, together with the registration books, to the successor registrar and paying agent.

The Registrar shall cause said Bonds to be printed in blank in such number as the Registrar shall determine to be necessary or customary; provided, however, that the Registrar shall not be required to have such Bonds printed until it shall have received from the Village indemnification for all costs and expenses associated with such printing.

In connection with any notice or other communication to be provided to bondholders by the Village or the Registrar with respect to any consent or other action to be taken by bondholders, the Village or the Registrar, as the case may be, shall establish a record date for such consent or other action and give the bondholders notice of such record date not less than fifteen (15) calendar days in advance of such record date to the extent possible.

The Village has determined that it may be beneficial to the Village to have the Bonds held by a central depository system pursuant to an agreement between the Village and The Depository Trust Company, New York, New York (“Depository Trust Company”) and have transfers of the Bonds effected by book-entry on the books of the central depository system (“Book Entry System”). The Bonds may be initially issued in the form of a separate single authenticated fully registered Bond for the aggregate principal amount of each separate maturity of the Bonds. In such case, upon initial issuance, the ownership of such Bonds shall be registered in the register kept by the Registrar in the name of Cede & Co., as nominee of the Depository Trust Company.

With respect to the Bonds registered in the register kept by the Registrar in the name of Cede & Co., as nominee of the Depository Trust Company, the Village and the Paying Agent shall have no responsibility or obligation to any other holders or owners (including any beneficial owner (“Beneficial Owner”)) of the Bonds with respect to (i) the accuracy of the records of the Depository Trust Company, Cede & Co., or any Beneficial Owner with respect to ownership questions, (ii) the delivery to any bondholder (including any Beneficial Owner) or any other person, other than the Depository Trust Company, of any notice with respect to the Bonds including any notice of redemption, or (iii) the payment to any bondholder (including any Beneficial Owner) or any other person, other than the Depository Trust Company, of any amount with respect to the principal of, or premium, if any, or interest on the Bonds except as otherwise provided herein.

No person other than the Depository Trust Company shall receive an authenticated Bond evidencing an obligation of the Village to make payments of the principal of and premium, if any, and interest on the Bonds pursuant to this ordinance. The Village and the Registrar and

Paying Agent may treat as and deem the Depository Trust Company or Cede & Co. to be the absolute bondholder of each of the Bonds for the purpose of (i) payment of the principal of and premium, if any, and interest on such Bonds; (ii) giving notices of redemption and other notices permitted to be given to bondholders with respect to such Bonds; (iii) registering transfers with respect to such Bonds; (iv) obtaining any consent or other action required or permitted to be taken of or by bondholders; (v) voting; and (vi) for all other purposes whatsoever. The Paying Agent shall pay all principal of and premium, if any, and interest on the Bonds only to or upon the order of the Depository Trust Company, and all such payments shall be valid and effective fully to satisfy and discharge the Village's and the Paying Agent's obligations with respect to principal of and premium, if any, and interest on the Bonds to the extent of the sum or sums so paid. Upon delivery by the Depository Trust Company to the Village of written notice to the effect that the Depository Trust Company has determined to substitute a new nominee in place of Cede & Co., and subject to the provisions herein with respect to consents, the words "Cede & Co." in this ordinance shall refer to such new nominee of the Depository Trust Company. Notwithstanding any other provision hereof to the contrary, so long as any Bond is registered in the name of Cede & Co., as nominee of the Depository Trust Company, all payments with respect to the principal of and premium, if any, and interest on such Bonds and all notices with respect to such Bonds shall be made and given, respectively, to the Depository Trust Company as provided in a representation letter from the Village to the Depository Trust Company.

Upon receipt by the Village of written notice from the Depository Trust Company to the effect that the Depository Trust Company is unable or unwilling to discharge its responsibilities and no substitute depository willing to undertake the functions of the Depository Trust Company hereunder can be found which is willing and able to undertake such functions upon reasonable

and customary terms, then the Bonds shall no longer be restricted to being registered in the register of the Village kept by the Registrar in the name of Cede & Co., as nominee of the Depository Trust Company, but may be registered in whatever name or names the bondholders transferring or exchanging the Bonds shall designate, in accordance with the provisions of this ordinance.

If the Village determines that it is in the best interest of the bondholders that they be able to obtain Bonds for the fully registered Bonds, the Village may notify the Depository Trust Company and the Registrar, whereupon the Depository Trust Company will notify the Beneficial Owners of the availability through the Depository Trust Company of Bonds for the Bonds. In such event, the Registrar shall prepare, authenticate, transfer and exchange Bonds for the Bonds as requested by the Depository Trust Company and any Beneficial Owners in appropriate amounts, and whenever the Depository Trust Company requests the Village and the Registrar to do so, the Registrar and the Village will cooperate with the Depository Trust Company by taking appropriate action after reasonable notice (i) to make available one or more separate Bonds evidencing the fully registered Bonds of any Beneficial Owner's Depository Trust Company account or (ii) to arrange for another securities depository to maintain custody of Bonds for and evidencing the Bonds.

If the Bonds shall no longer be restricted to being registered in the name of the Depository Trust Company, the Registrar shall cause said Bonds to be printed in blank in such number as the Registrar shall determine to be necessary or customary; provided, however, that the Registrar shall not be required to have such Bonds printed until it shall have received from the Village indemnification for all costs and expenses associated with such printing.

Section 5. Redemption. The Bonds shall become due and payable (subject to prior redemption as hereinafter provided) on December 1 of the years and in the amounts and bearing interest at the rates percent per annum as follows:

YEAR	AMOUNT (\$)	RATE (%)	PRICE (%)
2025	\$685,000	3.000%	106.898%
2026	705,000	3.000%	106.105%
2027	725,000	3.000%	105.319%
2028	750,000	3.000%	104.539%

Bonds due on or after December 1, 2025 shall be subject to redemption prior to maturity at the option of the Village from any available funds, as a whole or in part on any date on or after December 1, 2024, at the redemption price of par plus accrued interest to the date fixed for redemption.

(a) General. For any such redemptions, the Bonds shall be redeemed only in the principal amount of \$5,000 and integral multiples thereof. The Village shall, at least forty-five (45) days prior to the redemption date (unless a shorter time period shall be satisfactory to the Registrar) notify the Registrar of the series of Bonds to be redeemed, such redemption date and of the principal amount and maturity or maturities of Bonds to be redeemed. For purposes of any redemption of less than all of the outstanding Bonds of a single maturity, the particular Bonds or portions of Bonds to be redeemed shall be selected by lot not more than sixty (60) days prior to the redemption date by the Registrar, by such method of lottery as the Registrar shall deem fair and appropriate; provided that such lottery shall provide for the selection for redemption of Bonds or portions of Bonds in principal amounts of \$5,000 and integral multiples thereof.

The Registrar shall promptly notify the Village in writing of the Bonds or portions of Bonds selected for redemption and, in the case of any Bond selected for partial redemption, the principal amount thereof to be redeemed.

Section 6. Redemption Procedure. For any such redemptions, unless waived by the registered owner of Bonds to be redeemed, official notice of the call for any such redemption shall be given by the Registrar on behalf of the Village by mailing the redemption notice by first class mail at least thirty (30) days and not more than sixty (60) days prior to the date fixed for redemption to the registered owner of the Bond or Bonds to be redeemed at the address as it appears on the registration books kept by the Registrar or at such other address as is furnished in writing by such registered owner to the Registrar.

All official notices of redemption shall state:

- (a) the redemption date,
- (b) the redemption price,
- (c) the identification by CUSIP numbers, if applicable, and maturity dates (and, in the case of partial redemption of Bonds within a maturity, the respective principal amounts) of the Bonds to be redeemed,
- (d) a statement that on the redemption date the redemption price will become due and payable upon each such Bond or portion thereof called for redemption, and that interest thereon shall cease to accrue from and after said date,
- (e) the place where such Bonds are to be surrendered for payment of the redemption price, which place of payment shall be the principal corporate trust office of the Registrar, and
- (f) such other information then required by custom, practice or industry standard.

Prior to any redemption date, the Village shall deposit with the Registrar an amount of money sufficient to pay the redemption price of all the Bonds or portions of Bonds which are to be redeemed on such redemption date.

Unless moneys sufficient to pay the redemption price of the Bonds to be redeemed shall have been received by the Registrar prior to the giving of such notice of redemption, such notice may, at the option of the Village, state that said redemption shall be conditioned upon the receipt

of such moneys by the Registrar on or prior to the date fixed for redemption. If such moneys are not received, such notice shall be of no force and effect, the Village shall not redeem such Bonds, and the Registrar shall give notice, in the same manner in which the notice of redemption was given, that such moneys were not so received and that such Bonds will not be redeemed.

Official notice of redemption having been given as aforesaid, the Bonds or portions of Bonds so to be redeemed shall, on the redemption date, become due and payable at the redemption price therein specified, and from and after such date (unless the Village shall default in the payment of the redemption price) such Bonds or portions of Bonds shall cease to bear interest. Neither the failure to mail such redemption notice, nor any defect in any notice so mailed to any particular registered owner of a Bond, shall affect the sufficiency of such notice with respect to other registered owners. Notice having been properly given, failure of a registered owner of a Bond to receive such notice shall not be deemed to invalidate, limit or delay the effect of the notice or redemption action described in the notice. Such notice may be waived in writing by a registered owner of a Bond entitled to receive such notice either before or after the event, and such waiver shall be the equivalent of such notice. Waivers of notice by registered owners shall be filed with the Registrar, but such filing shall not be a condition precedent to the validity of any action taken in reliance upon such waiver. Upon surrender of such Bonds for redemption in accordance with said notice, such Bonds or portions being redeemed shall be paid by the Registrar at the redemption price. Installments of interest due on or prior to the redemption date shall be payable as herein provided for the payment of interest. Upon surrender for any partial redemption of any Bond, there shall be prepared for the registered owner a new Bond or Bonds of the same maturity in the amount of the unpaid principal, of like tenor, of authorized denominations, and bearing the same rate of interest.

If any Bond or portion of a Bond called for redemption shall not be so paid upon surrender thereof for redemption, the principal and premium, if any, shall, until paid or duly provided for, bear interest from the redemption date at the rate borne by the Bond or portion of a Bond so called for redemption. All Bonds which have been redeemed shall be canceled and destroyed by the Registrar and shall not be reissued.

In addition to the foregoing notice, further notice shall be given by the Registrar on behalf and at the expense of the Village as set out below, but no defect in said further notice nor any failure to give all or any portion of such further notice shall in any manner defeat the effectiveness of a call for redemption if notice thereof is given as above prescribed.

Each further notice of redemption given hereunder shall contain the information required above for an official notice of redemption plus (a) the CUSIP numbers of all Bonds being redeemed; (b) the date of issue of the Bonds as originally issued; (c) the rate of interest borne by each Bond being redeemed; (d) the maturity date of each Bond being redeemed; and (e) any other descriptive information needed to identify accurately the Bonds being redeemed.

Upon the payment of the redemption price of Bonds being redeemed, each check or other transfer of funds issued for such purpose shall bear the CUSIP number identifying, by issue and maturity, the Bonds being redeemed with the proceeds of such check or other transfer.

Section 7. General Obligations. The full faith and credit of the Village are hereby irrevocably pledged to the punctual payment when due of the Bonds. The Bonds shall be direct and general obligations of the Village shall be obligated to levy ad valorem taxes upon all the taxable property in the Village for the payment of the Bonds according to their terms, without limitation as to rate or amount.

Section 14. Abatement of Pledged Taxes. In the event that funds from any lawful source are or will be made available for the purpose of paying any principal of or interest on the Bonds so as to enable the abatement of the Pledged Taxes, the Corporate Authorities, by proper proceedings, covenants and agrees with the purchasers and holders of the Bonds that so long as any of the Bonds remain outstanding (unless legally defeased, as described in Section 15, herein)

it will take no action or fail to take any action which would in any way adversely affect the ability of the Village to use such funds, or fail to deposit such amounts into the Bond Fund as available, before or after the Village directs the abatement of the Pledged Taxes in an equivalent amount. A certified copy or other notification of any such proceedings abating taxes may then be filed with the County Clerk in a timely manner to effect such abatement.

Section 15. Defeasance and Payment of Bonds. (A) If the Village shall pay or cause to be paid to the registered owners of the Bonds, the Bonds due or to become due thereon, at the times and in the manner stipulated therein and in this ordinance, then the pledge of taxes, securities and funds hereby pledged and the covenants, agreements and other obligations of the Village to the registered owners and the beneficial owners of the Bonds shall be discharged and satisfied.

(B) Any Bonds, whether at or prior to the maturity or the redemption date of such Bonds, shall be deemed to have been paid within the meaning of paragraph (A) of this Section (1) in case any such Bonds are to be redeemed prior to the maturity thereof, there shall have been taken all action necessary to call such Bonds for redemption and notice of such redemption shall have been duly given or provision shall have been made for the giving of such notice, and (2) there shall have been deposited in trust with a bank, trust company or national banking association acting as fiduciary for such purpose either (i) moneys in an amount which shall be sufficient, or (ii) "Federal Obligations" as defined in paragraph (C) of this Section, the principal of and the interest on which when due will provide moneys which, together with any moneys on deposit with such fiduciary at the same time for such purpose, shall be sufficient, to pay when due the Maturity Amount due on said Bonds on and prior to the applicable redemption date or maturity date hereof.

(C) As used in this Section, the term “Federal Obligations” means (i) non-callable, direct obligations of the United States of America, (ii) non-callable and non-prepayable, direct obligations of any agency of the United States of America, which are unconditionally guaranteed by the United States of America as to full and timely payment of principal and interest, (iii) non-callable, non-prepayable coupons or interest installments from the securities described in clause (i) or clause (ii) of this paragraph, which are stripped pursuant to programs of the Department of the Treasury of the United States of America, or (iv) coupons or interest installments stripped from bonds of the Resolution Funding Corporation.

Section 16. Continuing Disclosure. A Continuing Disclosure Undertaking (the “Undertaking”) in substantially the form presented to the meeting is hereby approved, and the Village President and the Village Clerk are hereby authorized and directed to execute and attest the same on behalf of the Village. Notwithstanding any other provisions of this ordinance, failure of the Village to comply with the Undertaking shall not be considered an event of default under the Bonds or this ordinance.

Section 17. Tax Covenants. As a requirement of the Bonds for which interest is intended to be exempt from federal income taxes under Section 103 of the Internal Revenue Code of 1986 as existing on the date of issuance of the Bonds (the “Code”) and as an inducement to purchasers of the Bonds, the Village represents, covenants and agrees that:

(a) No more than ten percent (10%) of the payment of principal of or interest on the Bonds will be (under the terms of the Bonds, this ordinance or any underlying arrangement), directly or indirectly, (i) secured by any interest in property used or to be used for a private business use or payments in respect of such property or (ii) derived from payments (whether or

not to the Village) in respect of such property or borrowed money used or to be used for a private business use.

(b) No more than five percent (5%) of the Bond proceeds will be loaned to any entity or person other than a state or local governmental unit. No more than five percent (5%) of the Bond proceeds will be transferred, directly or indirectly, or deemed transferred to a nongovernmental person in any manner that would in substance constitute a loan of the Bond proceeds.

(c) The Village reasonably expects, as of the date hereof, that it will comply with the covenants described in paragraph (a), (b) and (c) above during the entire term of the Bonds.

(d) No more than five percent (5%) of the proceeds of the Bonds will be attributable to private security or payments described in (a) attributable to unrelated or disproportionate private business use.

(e) The Village will not take any action nor fail to take any action that will adversely affect the tax-exempt status of interest on the Bonds pursuant to Section 103 of the Code, nor will the Village act in any other manner which would adversely affect such status, and it will not make any investment or do any other act or thing during the period that the Bonds are outstanding which would cause the Bonds to be “arbitrage bonds” within the meaning of Section 148 of the Code.

(f) The Village certifies that to the extent necessary to preserve the status of the interest as on the Bonds for federal tax purposes, it will rebate any arbitrage profits to the United States of America in accordance with Section 148(f) of the Code and the Regulations promulgated thereunder.

(g) It shall be not an event of default under this ordinance if the Bonds lose their tax-exempt status for federal tax purposes or otherwise pursuant to any provision of the Code which is not currently in effect and in existence on the date of issuance of the Bonds.

(h) Pursuant to Section 265(b)(3) of the Internal Revenue Code of 1986, as amended, the Village as applicable at the time of sale and delivery of Bonds shall designate such Bonds as “qualified tax-exempt obligations” as defined in Section 265(b)(3) of the Internal Revenue Code of 1986, as amended. The Village by any such designation represents that the reasonably anticipated amount of tax-exempt obligations that will be issued by the Village and all subordinate entities (of which there are none) of the Village during the calendar year in which the Bonds are issued will not exceed \$10,000,000 within the meaning of or to be taken into account under Section 265(b)(3) of the Internal Revenue Code of 1986, as amended. The Village by any such designation covenants that in that connection it will not so designate and issue more than \$10,000,000 aggregate principal amount of tax-exempt obligations in such calendar year. For purposes of this Section, the term “tax-exempt obligations” includes “qualified 501(c)(3) Bonds” (as defined in the Section 145 of the Internal Revenue Code of 1986, as amended) but does not include other “private activity bonds” (as defined in Section 141 of the Internal Revenue Code of 1986, as amended).

(i) These covenants are based solely on current law in effect and in existence of the date of delivery of the Bonds.

The Village hereby authorizes the officials of the Village responsible for issuing the Bonds, the same being the Village President, the Village Clerk and the Treasurer of the Village, to make such further covenants and certifications as may be necessary to assure that the use thereof will not cause the Bonds to be arbitrage bonds. In connection therewith, the Village

further agrees: (a) through its officers, to make such further specific covenants, representations as shall be truthful, and assurances as may be necessary or advisable; (b) to consult with counsel approving the Bonds and to comply with such advice as may be given; (c) to pay to the United States, as necessary, such sums of money representing required rebates of excess arbitrage profits relating to the Bonds as required pursuant to Section 148 of the Code and the regulations promulgated thereunder; (d) to file such forms, statements, and supporting documents as may be required and in a timely manner; and (e) if deemed necessary or advisable by their officers, to employ and pay fiscal agents, financial advisors, attorneys, and other persons to assist the Village in such compliance.

Section 18. Noncompliance with Tax Covenants. Notwithstanding any other provisions of this ordinance, the covenants and authorizations contained in this ordinance (the “Tax Sections”) which are designed to preserve the status of the Bonds need not be complied with if the Village receives an opinion of nationally recognized bond counsel that any Tax Section is unnecessary to preserve the status as Bonds.

Section 19. Reimbursement. None of the proceeds of the Bonds will be used to pay, directly or indirectly, in whole or in part, for an expenditure that has been paid by the Village prior to the date hereof except architectural or engineering costs incurred prior to commencement of any of the construction of the Project or expenditures for which an intent to reimburse it was properly declared under Treasury Regulations Section 1.150-2. This Ordinance adopted by the Corporate Authorities on June 20, 2016, is a declaration of official intent under Treasury Regulations Section 1.150-2 as to all costs of the Project paid after the date hereof and prior to issuance of the Bonds.

Section 20. Registered Form. The Village recognizes that Section 149(a) of the Internal Revenue Code requires the Bonds to be issued and to remain in fully registered form in order that the Bonds remain as Bonds under laws in force at the time the Bonds are delivered. In this connection, the Village agrees that it will not take any action to permit the Bonds to be issued in, or converted into, bearer or coupon form.

Section 21. Municipal Bond Insurance. In the event the payment of principal and interest on the Bonds is insured pursuant to a municipal bond insurance policy (the “Municipal Bond Insurance Policy”) issued by a bond insurer (the “Bond Insurer”), and as long as such Municipal Bond Insurance Policy shall be in full force and effect, the Village and the Bond Registrar agree to comply with such usual and reasonable provisions regarding presentment and payment of the Bonds, subrogation of the rights of the Bondholders to the Bond Insurer upon payment of the Bonds by the Bond Insurer, amendment hereof, or other terms, as approved by the Village President of the Village on advice of counsel, his or her approval to constitute full and complete acceptance by the Village of such terms and provisions under authority of this Section.

Section 22. List of Bondholders. The Bond Registrar shall maintain a list of the names and addresses of the holders of all Bonds and upon any transfer shall add the name and address of the new Bondholder and eliminate the name and address of the transferor Bondholder.

Section 23. Duties of Bond Registrar. If requested by the Bond Registrar, the Village President and Village Clerk are authorized to execute the Bond Registrar’s standard form of agreement between the Village and the Bond Registrar with respect to the obligations and duties of the Bond Registrar hereunder which may include the following:

- (a) to act as bond registrar, authenticating agent, paying agent and transfer agent as provided herein;

- (b) to maintain a list of Bondholders as set forth herein and to furnish such list to the Village upon request, but otherwise to keep such list confidential;
- (c) to give notice of redemption of any Bonds;
- (d) to cancel and/or destroy Bonds which have been paid at maturity or upon redemption or submitted for exchange or transfer;
- (e) to furnish the Village at least annually a certificate with respect to Bonds canceled and/or destroyed; and
- (f) to furnish the Village at least annually an audit confirmation of bonds paid, Bonds outstanding and payments made with respect to interest on the Bonds.

Section 24. Severability. If any section, paragraph or provision of this ordinance shall be held to be invalid or unenforceable for any reason, the invalidity or unenforceability of such section, paragraph or provision shall not affect any of the remaining provisions of this ordinance.

Section 25. Ordinance to Constitute a Contract. The provisions of this ordinance shall constitute a contract between the Village and the registered owners of the Bonds. Any pledge made in this ordinance, and the provisions, covenants and agreements herein set forth to be performed by or on behalf of the Village, shall be for the equal benefit, protection and security of the registered owners of any and all of the Bonds.

Section 26. Repeal. All ordinances, resolutions or parts thereof in conflict herewith be and the same are hereby repealed and this ordinance shall be in full force and effect forthwith upon its adoption.
