EAST DUNDEE POLICE INVESTIGATE SHOOTING

On January 11, 2021 at approximately 5:59 p.m., East Dundee Police were dispatched to the 100 block of Dundee Avenue for an unknown problem/assist the ambulance. Quadcom emergency dispatch center gave an update of a subject bleeding and shot in the neck. Upon arrival Officers located a victim suffering from multiple gunshot wounds and secured the scene. The police investigation revealed that the victim, a 19-year-old male from DeKalb, was shot while inside his vehicle by a known assailant. The victim was transported initially to Advocate Sherman Hospital and later transferred to Advocate Lutheran General Hospital in Park Ridge where the victim remains in the intensive care unit in stable condition. Statements by the victim suggest that this was an isolated incident targeting this specific victim.

Police are continuing their investigation. The East Dundee Police have increased patrols in the area but have no information that would suggest any danger to residents at this time. Anyone with information regarding this incident is asked to contact the East Dundee Police Department.
