FOR IMMEDIATE RELEASE

East Dundee, IL- July 11, 2022. Man Shot Inside Carol's Corner Bar

On July 10 at approximately 1:50 AM, East Dundee Police Officers were patrolling in the area of our north municipal lot just north of Rt 72 after a previous service call in the area. Officers discovered a person staggering in the area of Water St. between Carol's Corner and the ATT building suffering from an apparent gunshot wound. Upon further investigation it was discovered that there had been a physical altercation inside Carol's Corner just moments before with the victim and another man. The physical fight led to one of the combatants to pull out a gun and shoot the other combatant while inside the establishment. The victim was shot at least twice in the upper chest or shoulder region, possibly with a 9mm pistol. He was transported to Sherman Hospital by ED Fire Protection District paramedics and later transferred to Lutheran General where he is now in stable condition.

The suspect had immediately fled the area when officers approached the area and were attending to the victim. The establishment had not yet called Police when officers located the victim. Officers from West Dundee and Carpentersville assisted with attempting to locate the suspect.

The suspect has been identified by police and is a 32-year-old male with addresses in Hoffman Estates, Schaumburg, Elgin, Carpentersville, among others. The victim is 33-year-old male with a last known address out of Loves Park who frequents the Algonquin area. It is believed that the victim and offender may casually know each other as patrons of the bar.

The Kane County Major Crimes Taskforce was called to assist with evidence collection and witness statements.

Police are reviewing video surveillance from the area and coordinating with the Kane County States Attorney's Office. The identity of the suspect and the victim are not being released at this time.
