Neither anything in this Agreement nor any acts of the parties to this Agreement shall be construed by the parties or any third person to create the relationship of a partnership, agency, or joint venture between or among such parties.

Section 14. No Discrimination and Prevailing Wage Act compliance

A. The Developer for itself and its successors and assigns agrees that in the construction of the Project on the Subject Property provided for in this Agreement the Developer shall not discriminate against any employee or applicant for employment because of race, color, religion,

sex or national origin. The Developer shall require that applicants are employed and that employees are treated during employment, without regard to their race, creed, color, religion, sex or national origin. Such action shall include, but not be limited to, the following: employment upgrading, demotion or transfer; recruitment or recruitment advertising and solicitations or advertisements for employees; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The Developer agrees to post in conspicuous places, available to employees and applicants for employment, notices, which may be provided by the Village, setting forth the provisions of this nondiscrimination clause. The Developer shall comply with all applicable laws regarding rate of pay or other forms of compensation.

B. *Prevailing Wage Act.*

1. The Developer, its contractors and subcontractors shall be responsible to determine if the Project is a "public work" within the meaning of the Illinois Prevailing Wage Act (the "*Act*") (820 ILCS 130/0.01 *et seq.*) requiring it to pay workers performing services on this Project no less than the "prevailing rate of wages" in the county where the work is performed. For information regarding the applicability of the Act contact your attorney or the Illinois Department of Labor (the "*IDOL*"). For the current prevailing wage rates, contact the Village or see the listing of rates or at www.state.il.us/agency/idol/rates/rates. The IDOL makes the final determination of whether this Project is subject to the Act.

2. The Developer agrees to indemnify and hold harmless the municipality, its agents, officers and employees as provided for in this Agreement for any violation by the Developer or its contractors and subcontractors' failure to comply with any provision of the Act if applicable.

Section 15. Remedies – Liability

(a) If, in the Village's judgment, the Developer is in material default of this Agreement for any phase of the Project, the Village shall provide the Developer with a written statement indicating any failure on the Developer's part to fulfill its obligations under this Agreement. Except as required to protect against further damages, the Village may not exercise any remedies against the Developer in connection with such failure until thirty (30) days after giving such notice so that the Developer will have the opportunity to cure any claimed material default within such thirty (30) day period. If such default cannot be cured within such thirty (30) day period, such thirty (30) days period shall be extended for such time as is reasonably necessary for the curing of the same, so long as the Developer diligently proceeds with such cure; if such default is cured within such extended period, the default shall not be deemed to constitute a breach of this Agreement. A default not cured as provided above shall constitute a breach of this Agreement. Any failure or delay by the Village in asserting any of its rights or remedies as to any default or alleged default or breach shall not operate as a waiver of any such default or breach of any rights or remedies it may have as a result of such default or breach.

(b) If the Developer materially fails to fulfill its obligations under this Agreement after notice is given by the Village and any cure periods described in paragraph (a) above have expired, the Village may elect to terminate its obligations under this Agreement or exercise any right or remedy it may have at law or in equity, including the right to specifically enforce the terms and conditions of this Agreement. If any voluntary or involuntary petition or similar

pleading under any section or sections of any bankruptcy or insolvency act shall be filed by or against the Developer, or any voluntary or involuntary proceeding in any court or tribunal shall be instituted to declare the Developer insolvent or unable to pay the Developer's debts, or the Developer makes an assignment for the benefit of its creditors, or a trustee or receiver is appointed for the Developer or for the major part of any of the Developer's property, and the same is not dismissed or stayed within sixty (60) days, the Village may elect, to the extent such election is permitted by law and is not unenforceable under applicable federal bankruptcy laws, but is not required, with or without notice of such election and with or without entry or other action by the Village, to forthwith terminate this Agreement. To effect the Village's termination of this Agreement under this Section, the Village's sole obligation shall be to record, in the Office of the Kane County Recorder, a Certificate of Default, executed by the President of the Village or such other person as shall be designated by the Village, stating that this Agreement is terminated pursuant to the provisions of this Section, in which event this Agreement, by virtue of the recording of such certificate, shall *ipso facto* automatically terminate and be of no further force and effect.

(c) If, in the Developer's judgment, the Village is in material default of this Agreement, the Developer shall provide the Village with a written statement indicating in adequate detail any failure on the Village's part to fulfill its obligations under this Agreement. The Developer may not exercise any remedies against the Village in connection with such failure until thirty (30) days after giving such notice so that the Village will have the opportunity to cure any claimed material default within such thirty (30) day period. If such default cannot be cured within such thirty (30) day period, such thirty (30) day period shall be extended for such time as is reasonably necessary for the curing of the same, so long as the Village diligently proceeds with such cure; if such default is cured within such extended period, the default shall not be deemed to constitute a breach of this Agreement. Any failure or delay by the Developer in asserting any of its rights or remedies as to any default or any alleged default or breach shall not operate as a waiver of any such default or breach of any rights or remedies it may have as a result of such default or breach.

(d) In addition to any other rights or remedies, a party may institute legal action against the other party to cure, correct or remedy any default, or to obtain any other remedy consistent with the purpose of this Agreement, either at law or in equity, including, but not limited to the equitable remedy of an action for specific performance; provided, however, no recourse under or upon any obligation contained herein or for any claim based thereon shall be had against the Village, its officers, agents, attorneys, representatives or employees in any amount or in excess of any specific sum agreed to be paid by the Village hereunder, and no liability, right or claim at law or in equity shall be attached to or incurred by the Village, its officers, agents, attorneys, representatives or employees in any amount in excess of any specific sums agreed by the Village to be paid hereunder and any such claim is hereby expressly waived and released as a condition of and as consideration for the execution of this Agreement by the Village. Notwithstanding the foregoing, in the event either party shall institute legal action against the other party because of a breach of any agreement or obligation contained in this Agreement, the prevailing party shall be entitled to recover all costs and expenses, including reasonable attorneys' fees, incurred in connection with such action. Each party hereby waives any right to consequential, exemplary or punitive damages.

(e) The rights and remedies of the parties are cumulative and the exercise by a party of one or more of such rights or remedies shall not preclude the exercise by it, at the same time or different times, of any other rights or remedies for the same default or for any other default by the other party. This Agreement shall be interpreted and enforced in accordance with the laws of the State of Illinois. Any legal proceedings shall be commenced in the current Court of Kane County.

Section 16. Developer's Covenants

The Developer hereby covenants and agrees to repay to the Village any and all sums paid by the Village to the Developer pursuant to this Agreement in the event the Developer or any approved successor of the Businesses ceases to operate the Businesses at the Subject Property at any time during the term of this Agreement; provided, that the obligation to refund shall be reduced by twenty percent (20%) of the sums paid by the Village on each anniversary of the date of the commencement of the operation of the Businesses.

Section 17. Time; Force Majeure.

Time is of the essence of this Agreement, provided, however, a party shall not be deemed in material breach of this Agreement with respect to any of its obligations under this Agreement on such party's part to be performed if such party fails to timely perform the same and such failure is due in whole or in part to any strike, lock-out, labor trouble (whether legal or illegal), civil disorder, weather conditions, failure or interruptions of power, restrictive governmental laws and regulations, condemnations, riots, insurrections, acts of terrorism, war, fuel shortages, accidents, casualties, floods, earthquakes, fires, acts of God, epidemics, quarantine restrictions, freight embargoes, acts caused directly or indirectly by the other party (or the other party's agents, employees or invitees) or similar causes beyond the reasonable control of such party ("*Force Majeure*"). If one of the foregoing events shall occur or either party shall claim that such an event shall have occurred, the party to whom such claim is made shall investigate same and consult with the party making such claim regarding the same and the party to whom such claim is made shall grant any extension for the performance of the unsatisfied obligation equal to the period of the delay, which period shall commence to run from the time of the commencement of the Force Majeure; provided that the failure of performance was reasonably caused by such Force Majeure.

Section 18. Amendment

This Agreement, and any exhibits attached to this Agreement, may be amended only in a writing signed by all parties with the adoption of any ordinance or resolution of the Village approving said amendment, as provided by law, and by execution of said amendment by the parties or their successors in interest. Except as otherwise expressly provided herein, this Agreement supersedes all prior agreements, negotiations and discussions relative to the subject matter hereof.

Section 19. Counterparts

This Agreement may be executed in two or more counterparts, each of which shall be deemed an original but all of which together shall constitute one and the same instrument.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be executed by their duly authorized officers on the above date at East Dundee, Illinois.
