Application for Temporary Dumpster
23200 Gratiot, Eastpointe, MI 48021
Building Department 586-445-5010

Date of Request: _____ Phone # _____

Applicant Name: _____

Address: _____

Purpose: _____

The property owner acknowledges the policy of the City of Eastpointe regarding dumpsters. He agrees that the dumpster will be removed from the property at the expiration date shown below.

Signature of Property Owner

Dumpster Policy:

Residential property owners are not permitted to have a dumpster located on their property. In accordance with the IPMC 2006, Section 307 Rubbish and Garbage and in accordance with Ordinance Section 1060.05(3) Garbage and Rubbish Collection and Disposal, dumpsters are not permitted.

Exceptions:

The Building Department, upon receipt of an application from a property owner, may allow exceptions to the ordinance for a limited period of time, as follows:

- In the case where a building permit has been issued for construction on a residential structure, a dumpster may be located on the property for a period not to exceed 21 days.
- In the case where a property owner has a great deal of debris to remove from the property, a dumpster may be permitted for a period not to exceed 14 days.
- The dumpster must be located on the concrete driveway. At no time shall the dumpster overflow with debris.
- Failure to remove the dumpster within 24 hours of the date of expiration will result in a court citation and a fine in accordance with the terms of the Ordinance.
