

## Urban Fiction Writers

**Also known as Street Fiction, Urban Fiction is set in urban America. The plot generally revolves around drugs, violence, and sex, with African American or Latino characters.**

When you can't find an author or book on the EPL shelves, ask the Reference Librarian to obtain it for you from an area library. Pick up and return the title at EPL.

Urban Fiction titles are also available in the FREE Libby Digital Library. Download the Libby app from your device's App Store (download Overdrive for the Kindle) and register with your Library Card number and Pin number. (Ask at the Circulation Desk if you forgot your pin.) Search by author or browse "African American Fiction", or "Urban Fiction" under Subjects.
