BAY WOOD INTERIM ACTION

BAY WOOD

(December 29, 2020)

Western Shoreline (Pre-Restoration)

Western Shoreline (Jan 6, 2021)

Southern Shoreline (Pre-Restoration)

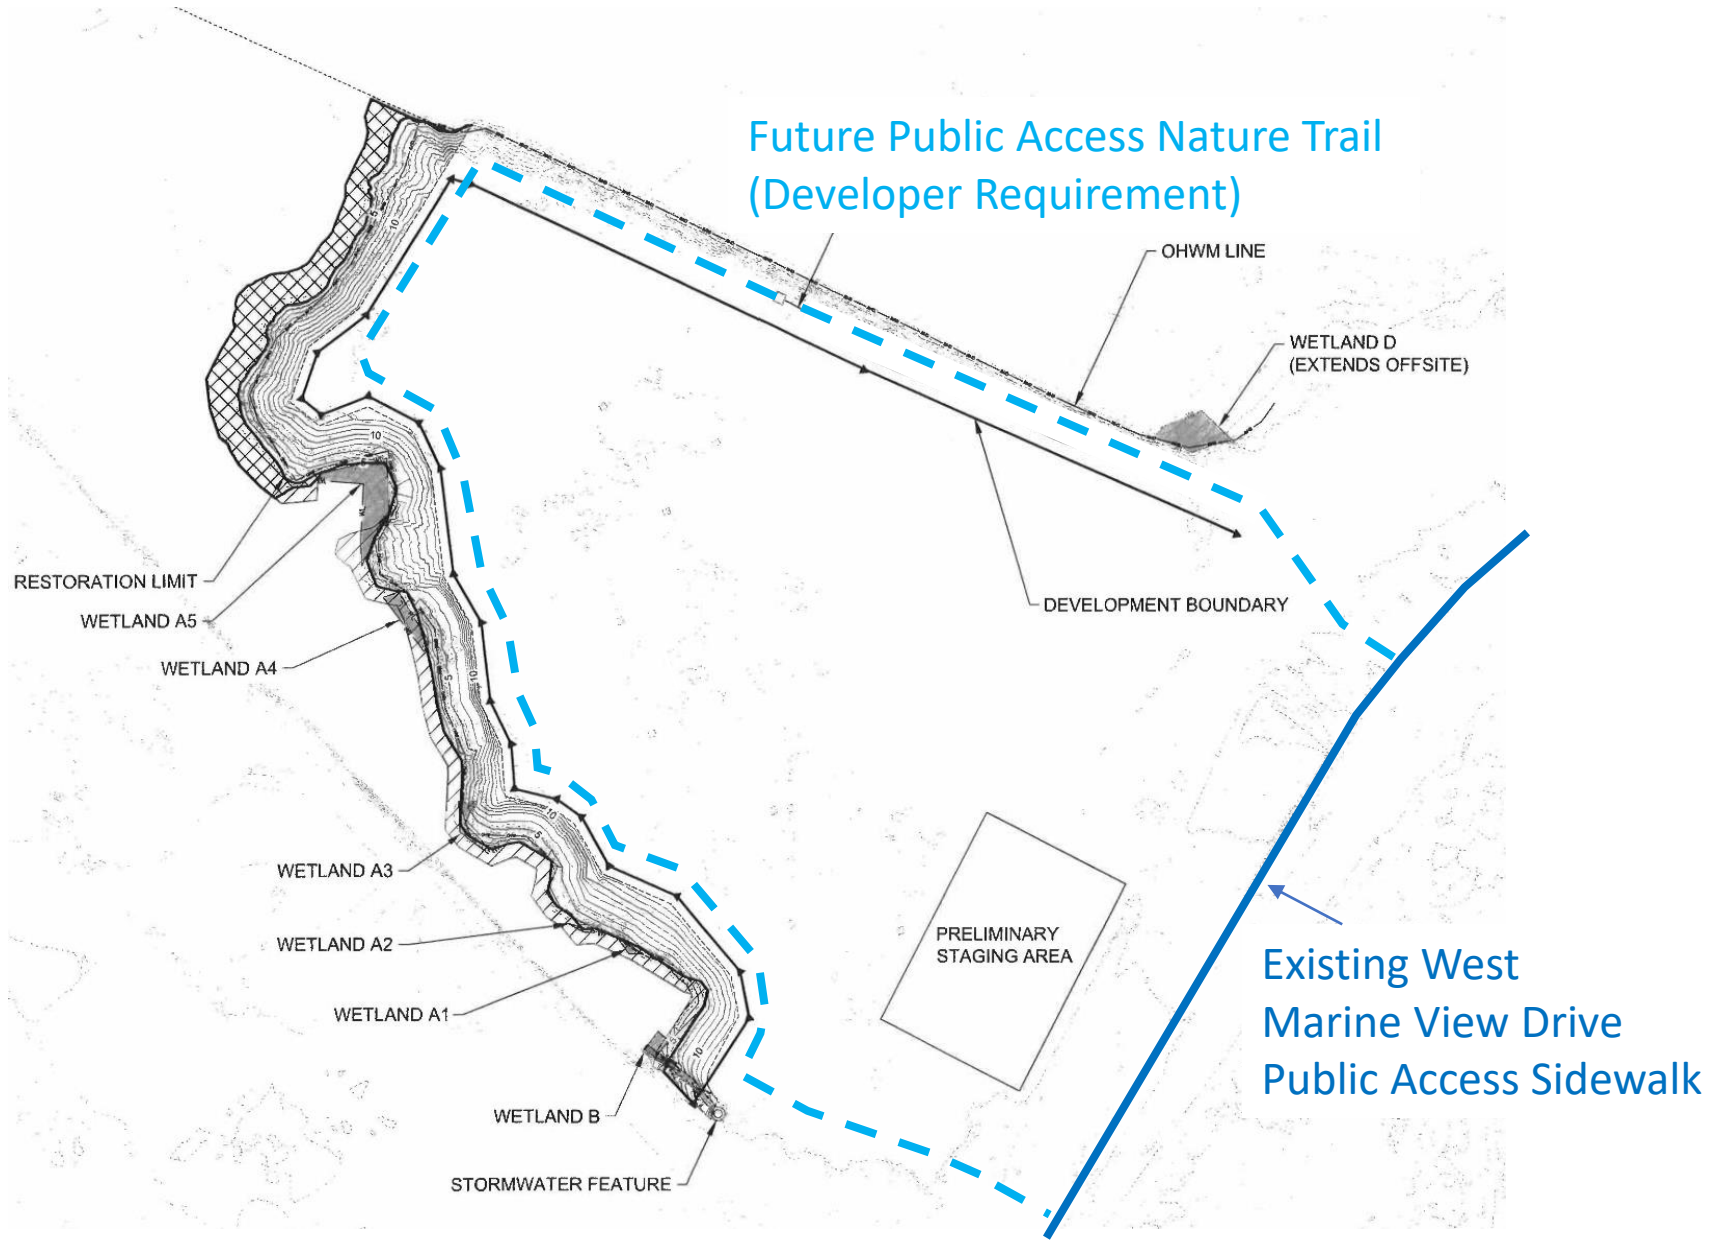

Southern Shoreline (January 11, 2021)

Southern Shoreline

RESTORATION AND PUBLIC ACCESS

NE SEC 7, TWP 29N, RGE 5E, W.M.

Project Status

- Completed Low Area cleanup
- Completed lower bank shoreline grading
- Change Order Requests:
 1. Time Delay Due to Extended Ecology Construction Stormwater Permitting Process
 2. Ecology Required Soil Mixing Due to Topsoil Chemistry
- Material Quantities: some over-runs and under-runs. Over-runs are related to additional excavation as requested by Ecology
- Remaining Work: 1) Upper Bank Grading, 2) Placing Logs, and 3) Planting
- Anticipated to complete on-time (April 1, 2021)
