

PORT OF EVERETT FLOAT FINDO SCHACK ART CENTER

Jetty Island Float Find Boundary
Waterfront Place Float Find Boundary

***NOTE:** Clear balls and floats will always be placed in public areas like parks, plazas, walking trails and around businesses; they will never be along roadways, in parking lots, within fenced off construction zones, on the docks or in the water, etc. They will always be reasonably in view, with no need to climb, dig or get in the water to access them.
