PORT OF EVERETT BOUNDARY ENLARGEMENT MEASURE HEADING TO AUGUST PRIMARY BALLOT

On March 12, the Snohomish County Council unanimously approved a motion to place the Port of Everett's petition for boundary enlargement on the August 2024 primary ballot.

Council action follows a historic first by the Port of Everett Commission, which unanimously passed Resolution No. 1220 directing Port staff to submit a proposition of enlarging the boundary of the existing Port District to include most of Snohomish County to the County Council for voter consideration.

"This is the first time in 106 years that Snohomish County residents will get to vote on the scale and scope of their Port," Port CEO Lisa Lefeber said. "Snohomish County has changed dramatically in this time, so it will be good to give the new generation a voice in the matter."

Open houses are scheduled throughout the County for those interested in learning more about the boundary measure and the Port of Everett.

NEW EVERETT YACHT CLUB OPENS IN SOUTH MARINA

On March 30, the Port of Everett joined the Everett Yacht Club (EYC) in celebrating the grand opening of its new clubhouse near Anthony's Woodfire Grill at the Port's Waterfront Place.

A ribbon-cutting ceremony featuring EYC, Port and City leadership was followed by an open house and membership drive at the renovated building.

The clubhouse has been three years in the making. In 2021, EYC leased the Port's former Marina Office building in Marina Village and invested over \$1 million to renovate it. The club's reciprocal moorage moved to South E-Dock near the building that same year.

The new multi-story clubhouse at 1720 West Marine View Drive has indoor and outdoor spaces for member meetings, classes and events. It features a kitchen, bar and elevator, plus convenient access to the Port's nearby Commodore Plaza and South Marina facilities.

This is the fourth clubhouse for the Everett Yacht Club, whose history predates the Port's. The club was established in 1907. #20678

Opening Day Events May 4 & May 11

Mukilteo Yacht Club's Opening Day of Boating is May 4 and this year's theme is "Gilligan's Island." Decorate your boat and dress up your crew as if you're stranded on an island. All boaters welcome. Visit mukilteoyachtclub.com for more information. On May 11, the Navy Yacht Club Everett is hosting its Opening Day of Boating with the theme "Full Dress Ship." Members dress up their boat and crew as if it's the Fourth of July. Learn more at navyyachtclubeverett.com. Stop by to see the boats! Both events will be held at the Port's Central Guest Dock 5 Activity Barge.

CUSTOMER CONNECT

Customer Connect Set for June 21

Join us! The Port of Everett's annual Marina Customer Connect is taking place June 21 from 5-7 p.m. on the Central Guest Dock 5. Mingle with Port staff and fellow slipholders and enjoy live Caribbean steel drums music by Panessence. Food and refreshments will be served; the event is 21+. Walk up or boat up! There is plenty of space along Guest Dock 5. E-mail marina@portofeverett.com for more information.

Little House of Canvas Expands

The Little House of Canvas has relocated to a larger space at the Port of Everett's Waterfront Center. The company — which offers canvas repair, design, build and install services — moved from its previous 810-square-foot space at Marina Village and expanded into a 2,910-square-foot space at Waterfront Center Suite 116. Owners Jacy and Ryan Taisey are live-aboards at the Port. The Port Commission authorized the new five-year lease on April 2.

Shrimping Openers May 16 & May 30

Grab your shrimp pots! Shrimping season for Marine Area 8-2, including Port Susan, Port Gardner and Everett, is open May 16 and May 30 from 9 a.m. to 1 p.m. Additional dates may be announced later. Before harvesting, call the Washington Department of Fish & Wildlife shellfish rule change hotline at 866-880-5431 or visit wdfw.wa.gov/fishing/shellfishing-regulations/shrimp.

Online Vessel Auction Opens May 2

In the market for a boat? The Port of Everett's next Online Vessel Auction is taking place May 2-8. More than 20 vessels are up for auction. Viewings will be May 6; call 425-388-0671 to make an appointment. Please note: Boats must be in good aesthetic and operating condition to remain at the Marina; moorage is not guaranteed. Check out the inventory at www.portofeverett.com/vesselauction.

Marina Maintenance Shop Complete

The Marina Maintenance shop is now complete at the Port's Waterfront Center. The Marina Maintenance division was without a consolidated and permanent home since its location was demolished in 2006 to make room for the Craftsman District Boatyard. A new 5,300-square-foot space was built out in the western third of an existing covered work area. Construction was completed April 8.

Memorial Day Ceremony is May 27

Celebrate Memorial Day at the Port! A Memorial Day ceremony is taking place on May 27 at 11 a.m. at the Port's Pacific Rim Plaza. The July Fourth Foundation and Lynnwood Times event in partnership with the Port of Everett and City of Everett will feature a presentation of colors, singing of the National Anthem, honor guard rifle salute, Memorial Day address and more.

Renew Registration & Insurance

Reminder: Vessel registration and insurance policy renewals are due June 30. Your current registration certificate plus proof of insurance must be provided to the Marina Office annually.

Alexa's Cafe Signs Lease to Join Waterfront Place

Alexa's Cafe will soon be serving up scrambles and pancakes with a side of waterfront views at the Port of Everett's Waterfront Place. On April 9, the Port Commission approved a new 10-year lease with two five-year extension options for a 2,400-square-foot interior restaurant space with expansive outdoor patio along the Marina esplanade.

The cafe joins Rustic Cork Wine Bar, Tapped Public House and Menchie's at a new 12,000-square-foot building (parcel A12; see image) being constructed at Fisherman's Harbor next to Asian-inspired Fisherman Jack's and South Fork Baking Co.

Co-owner Leigh Henderson founded Alexa's Cafe & Catering in 1991. The family-owned restaurant group serves breakfast and lunch all day, as well as caters for private and corporate events.

Alexa's Cafe's flagship restaurant opened in Bothell in 1995. The second location, Alexa's at Molbak's Garden Cafe, opened in Woodinville in 2020 and closed a few months after Molbak's did. The catering arm of the business has been based in Mukilteo since 2015.

The Everett menu will be similar to the Bothell location's offerings: scrambles, benedicts, pancakes, French toast, sandwiches, quesadillas, tacos, burgers and more. Alexa's Cafe at Waterfront Place will also feature a small market stocked with grab-and-go breakfast and lunch items.

Alexa's Cafe will be sited in one of two new retail buildings coming soon to Waterfront Place's Fisherman's Harbor slated to break ground this summer, with businesses opening in 2025. They will be part of the Port's new "Restaurant Row."

The second building (parcel A6; see image) will add another 6,000-square-feet of restaurant space off West Marine View Drive. It will house The Net Shed, a new fish-and-chips and fish market combo. One, 2,800-square-foot space is available, for which the Port is seeking a Mexican restaurant.

MARINA REMINDERS & TIPS FOR BOATING SEASON

- ✔ **Slip rentals aren't allowed.** It is against Port of Everett regulations to rent your slip or boat through vacation booking platforms like Airbnb or VRBO.
- ✔ **Keep LAZ Parking informed.** Is your vehicle information up to date? Manage your digital parking permits at www.portofeverett.com/marinaparking.com.
- ✔ **Meet guests at gates.** Help keep docks secure by meeting your guests at your gatehouse instead of at your boat.
- ✔ **Check for gull nests on your boat.** If you find a nest, contact USDA-APHIS Wildlife Services at 425-478-7732. A specialist will remove the nest or addle eggs to prevent seagull attacks. #28369
- ✔ **Return dock carts when done.** Help your fellow boaters find carts by not storing them on docks or inside boathouses. Stow them for ease of access at the top of the dock.
- ✔ **Report maintenance needs.** With such a large facility, we encourage boaters to report maintenance needs so we can promptly address them or respond with an expected timeline for repair. E-mail marinamaintenance@portofeverett.com.
- ✔ **See something, say something.** Report suspicious or criminal activity immediately to the Everett Police Department non-emergency line at 425-407-3999. If an emergency, call 911. Follow up with Port Security at 425-388-0672 or text 888-893-PORT.

**BOATING SAFETY
A MESSAGE FROM:**

As Opening Day of Boating approaches, Washington boaters are eagerly preparing to take their boats out on the many miles of water surrounding our home. This time of year means beautiful scenery, fishing and crabbing, and cruising with family and friends.

Remember that fun on the water happens when all who are on the boat are safe.

- ✔ Ensure that your boat is in good working order with all of the appropriate safety equipment.
- ✔ Keep your boat-handling and vessel knowledge current. If you have any doubts, take an Everett Sail and Power Squadron class or seminar. #53657
- ✔ Wear your life jacket while aboard; don't stow it away in a cabinet. Review the U.S. Coast Guard's life jacket standards.

Visit boat.wa.gov for more boating information and safety tips.

Learn more about Everett Sail and Power Squadron, America's Boating Club of Snohomish County, at boatclubsnoco.org.

**WATERFRONT PLACE
COMMUNITY OPEN HOUSE**

You're invited! Join us at the annual Waterfront Place Community Open House on June 27 between 4-7 p.m. at Pacific Rim Plaza next to Hotel Indigo (1028 13th St., Everett). Chat with project developers, explore recent construction milestones and hear about what's coming next to the Port of Everett's mixed-use development. Learn more at www.portofeverett.com/wpc.
