### Mayor's Message...

Welcome spring! We are looking forward to having more celebrations, festivals and events this year than have happened in the past few years. For more details and other events go to [fairportny.com](http://fairportny.com)

### Canal Bicentennial Celebrations

This year, the Village of Fairport, the New York State Canal Corporation, along with other community organizations will be celebrating the bicentennial anniversary of the Erie Canal construction.

On Friday May 20<sup>th</sup>, 2022 there will be a celebration of the opening day of canal season, completion of multiple canal related projects in the village and the 200<sup>th</sup> anniversary of the canal coming to Fairport in 1822. Stop by in the Village and check out the sights and sounds of Fairport on the Erie Canal.

**Collectively Composting Update:** The Village of Fairport launched a voluntary composting program in October 2021. Residents may drop off compostable organics at two locations: **22 Railroad St. and Potter Park parking lot.** food scraps, meat, fish, poultry scraps, coffee ground filters, pizza boxes and bio-degradable bags may be loaded in the totes. Please, no pet waste, plastic or coated cardboards like coffee cups. More info can be found on the composting page at [fairportny.com](http://fairportny.com)

### Liftbridge Lights

On December 21,2021 the Village of Fairport in conjunction with Reimagine the Canals, the NYS Power Authority, and NYS Canal Corporation revealed the special lighting package, installed during the lift bridge rehabilitation project. Nightly, the lights illuminate the historic lift bridge architecture.

As of 2022, the Fairport Liftbridge is now part of the Governor's lighting program for setting monuments aglow with special colors to commemorate specific dates and activities across the state.

### Fairport Adopted Budget - Fiscal Year 2022-2023

The Village of Fairport is pleased to present the 2022-2023 Adopted Budget to our residents. In an effort to be transparent and provide a more accessible and understandable budget document, we have implemented a new online web-based budget portal called ClearGov. You may access the budget by visiting our website at [www.fairportny.com](http://www.fairportny.com). The adopted budget has a zero percent increase in the tax levy thereby no increase in your tax bill. This budget is fiscally conservative while continuing to increase capacity and investment within our Village. You will see the implementation of new public restrooms placed on Liftbridge Lane W. this year as well as infrastructure improvements implemented on Liftbridge Lane E. We also will be conducting over \$300k in street resurfacing and sidewalk replacement this year alone. We are pleased to adopt a budget that is representative of the services and expectations that our community deserves while providing a competent budget that promotes integrity and fiscal restraint. Should you have any questions regarding the Village Budget or would like additional information, please contact the Village Manager at ( 585) 421-3201 or visit our website.

	<b>Adopted 2021-2022</b>	<b>Adopted 2022-2023</b>	<b>Change (%)</b>	<b>Change \$</b>
Assessed Valuation	416,157,506	418,872,830	0.65%	\$ 2,715,324

## Tax Collection Season 2022-2023

Tax Bills will be mailed out on June 1, 2022.  
Full payment is due by July 1, 2022 and **no**  
partial payments are allowed.

The Village Clerk's office will accept payment  
as follows:

- By E-Check, Credit or Debit Card thru the online portal on the Clerk-Treasurer's page of the Village Website
- By Check via mail to Village Hall (receipt date determined by U.S. postmark)
- By Check only in the Village Drop Box located in front or back of Village Hall
- By Check via mail to our Bank's lockbox, Binghamton, NY
- By Check, Cash, Credit or Debit Card at the Village Office (Monday-Friday 8:30AM-3:30PM)

On July 2, 2022, a 5% penalty will be applied, with an additional 1% for each month beginning August 1, 2022.

If you *Do Not* have escrow and have not received your tax bill by June 6, 2022, please call our office at (585) 421-3204 or 421-3202

## Fairport Farmers Market

**Saturdays, 7:00 AM to Noon**  
**May 7– November 19, 2022**

The Market is located off S. Main Street in the Village Landing/Bank of America parking lot. Parking is available across the street behind Village Hall (31 S. Main Street) The Fairport Farmers Market features local produce, plants, food-related services, and some prepared foods.

The opening day of the market is May 7th and will feature Spring Fling 2022. This event is co-sponsored by the Fairport-Perinton Merchants Association and will feature music, entertainment, and activities for all ages.

**Do you have an affection for good food  
and your community?**

**INTERESTED IN VOLUNTEERING...**

## Fairport Alerts

As Village residents and/or Fairport Electric customers, you can sign up to receive alerts from the Village through the Fairport Alerts System called Everbridge. Choose which alerts you would like to receive and how you would like to receive them whether by phone, text, e-mail, or through the Everbridge App.

Fairport Electric uses these alerts to help notify customers of any outages affecting their homes along with maintenance work by Fairport Electric Crews. We also notify our customers when tree trimming, and other contractors may be working in your neighborhood.

Please visit:

[www.fairportny.com](http://www.fairportny.com)

and click on Fairport Alerts System under the "Quick Links". Click on "Sign Up for Notifications" button.

Upon creating an account, you will be presented with various alert subscriptions to sign up for, including general notifications; specific board related notifications; and Fairport Electric Alerts. Fairport Electric plans to expand the use of this notification system with the hopes that more of our customers utilize this resource for information.

**Help keep our  
Fairport  
community safe.  
Consider  
volunteering with  
the Fairport Fire  
Department**

**Inquire here:  
volunteer@fairportfd.org**

Crime trends, personal safety, tips on what to do and not do, are all very important issues and items. However, due to the unprecedented last two years of all our lives, we would like to switch gears a little and offer everyone the following...

The Fairport Police Department would like to welcome you to the Village of Fairport. Whether you are a current, past or future resident, or visiting Fairport; come and enjoy all the Village has to offer. Take a walk, dine in the fine establishments, shop for a gift, take a seat on the bench made from the old liftbridge pulleys, listen to the music, talk with a neighbor, or just unplug and relax for awhile. If at anytime along the way, you need our assistance, we'll be there, since 1867.

**Welcome to Fairport!**

## Take Heed of Pollutants in Storm Drains

Storm drains lead directly to nearby water-bodies, so keeping lawn and yard care by-products and pool, fountain and spa discharges out of storm drains will reduce the amount of pollutants entering our local waters. As you perform your household chores, follow the guide below to improve and protect our local water quality.

### Lawn and Yard Care

- Mulch your leaves. Mulching returns nutrients to the soil and saves the time and work needed to rake and dispose of leaves.
- Sweep up lawnmower clippings from your driveway and adjacent roadway to prevent them from entering storm drains.
- Never dispose of yard waste in a storm drain. Keeping storm drains clear of leaves and debris will help reduce localized flooding during rainfalls.
- State law requires fertilizer landing on impervious surfaces, such as driveways, roadways and sidewalks be immediately cleaned up and applied to the lawn or containerized.
- State law prohibits the application of fertilizer on lawns between December 1 & April 1.

### Storm Drains ... Are Not Garbage Cans!

### Household Hazardous Waste

- Dispose of old or unwanted fertilizers, pesticides, pool chemicals and other household hazardous waste properly, such as at Monroe County's Ecopark. Call (585) 753-7600 (option 3), or go to [monroecounty.gov/hhw](http://monroecounty.gov/hhw)

## Fairport Office of Community + Economic Development (OCED) Grant Programs

**SENIOR/DISABLED HOME IMPROVEMENT GRANT:** Grants are offered to income-eligible seniors and disabled homeowners for emergency, essential or safety-related home improvements or repairs. Eligible improvements or repairs include heating, plumbing, electric, roofing, windows, doors, and insulation.

**FRONT PORCH GRANT:** This incentive program provides a matching grant for front porch preservation, restoration, or rehabilitation projects. To be eligible for consideration, the project must not yet be permitted or under construction. Routine maintenance is not eligible.

For more information about these programs including further terms and conditions, visit our website at [www.fairportoced.org](http://www.fairportoced.org) or 585-421-3240.
