

Welcome to the Fairport Village Tree Scavenger Hunt!

Part I. The Hunt

Use the map below to find the 14 featured trees in our Scavenger Hunt! Each will be marked with a green ribbon. When you find one, check out the attached Tree Card. In the upper left corner of each card, you'll find a blue box listing one of the parts of a tree. Record each tree part on the back of this worksheet to help you solve this year's puzzle!

Part II. The Puzzle

Fill in the tree parts you found on the 14 tree cards. Note: the numbers inside the boxes correspond to the numbers on the map. Part #15 is the missing part. Add that to Part III!
