

Mt. Pleasant Cemetery Regulations

Headstone Requirements:

- **Standard Grave Site**
Either a flat stone or a low stone, with a base not wider than 42" or taller than 36" from the bottom of the base, shall be allowed. Only one stone per burial site is allowed, either single or double.
- **Cremation Garden Site**
The base of the required slant stone shall be 25" x 12" deep x 16" in height and placed to follow the contour of the plantings.
- Headstone must be erected within one year from the date of burial.

Plant Material:

- Only live planted, potted or cut flowers within 18" in front of the headstone.
- No rosebushes, shrubbery or evergreens may be planted, without permission of the Village Clerk.
- Flower pots must be less than 15 pounds total weight.

Flags:

- One flag per grave not to exceed 12"x18".

Miscellaneous:

- No shepherd hooks.
- No ornaments or artificial flowers.
- No effigies or figurines of any kind.
- No glass containers are allowed in the cemetery.

Violations will be removed and discarded.
