DRUG/ALCOHOL TESTING PROCEDURES

CONSENT AND ACKNOWLEDGEMENT FORM

As an applicant or an employee with the city of Fayetteville, I hereby consent to and acknowledge that I am scheduled to undergo drug and/or alcohol testing. The test for alcohol will be a breath analysis test. The drug test will involve an analysis of a urine sample, which I will provide at a designated site. The purpose of the test will be to test for the presence of the following substances: amphetamines, marijuana, cocaine, opiates, PCP, alcohol, and/or additional drugs listed in the Tennessee Drug Control Act. I authorize qualified personnel to take and have analyzed appropriate specimens to determine if drugs and/or alcohol are present in my system. I acknowledge that the drug/alcohol screen test results will be made available to the testing laboratory, medical review officer(s) (MRO(s)(s)), the City Administrator, or his/her designee. As an applicant, I am aware that a confirmed and verified positive drug/alcohol test result will rescind my conditional offer of employment. As an employee, I am aware that a confirmed and verified positive test result may lead to disciplinary action up to and including immediate dismissal. I will present a copy of this form to the collection site when I report for my scheduled drug/alcohol test. I also understand that failure to provide adequate breath for testing without a valid medical explanation, failure to provide adequate urine for controlled substances testing without a valid medical explanation, and engaging in conduct that clearly obstructs the testing process are the same as refusing to test.

I, _____, acknowledge that I have received and/or reviewed a copy of the city of Fayetteville's drug and alcohol testing policy.

CONSEQUENCES OF A CONFIRMED POSITIVE DRUG AND/OR ALCOHOL TEST RESULT AND/OR VERIFIED POSITIVE DRUG AND/OR ALCOHOL TEST RESULT

Job applicants will be denied employment with the city of Fayetteville if their initial positive pre-employment drug and alcohol test results have been confirmed/verified.

If a current employee's positive drug and alcohol test result has been confirmed, the employee is subject to immediate removal from any safety-sensitive function and may be subject to disciplinary action up to and including termination. Factors to be considered in determining the appropriate disciplinary response include: the employee's work history, length of employment, current work assignment, current job performance, and existence of past disciplinary actions. However, the city reserves the right to allow employees to participate in an education and/or treatment program approved by the city Employee Assistance Program as an alternative to or in addition to disciplinary action.

If such a program is offered and accepted by the employee, then the employee must satisfactorily participate in and complete the program as a condition of continued employment.

No disciplinary action may be taken pursuant to this drug policy against employees who voluntarily identify themselves as drug users, obtain counseling and rehabilitation through the City's Employee Assistance Program or other program sanctioned by the City, thereafter refrain from violating the City's policy on drug and alcohol abuse. However, voluntary identification will not prohibit disciplinary action for the violation of City Personnel Policy and regulations.

Refusing to submit to an alcohol or controlled substances test means that a driver: (1) fails to provide adequate breath for testing without a valid medical explanation after he or she has received notice of the requirements for breath testing in accordance with the provisions of this part; (2) fails to provide adequate urine for controlled substances testing without a valid medical explanation after he or she has received notice of the requirement for urine testing in accordance with the provision of this part; or (3) engages in conduct that clearly obstructs the testing process. In either case the physician or breath alcohol technician shall provide a written statement to the City indicating a refusal to test.

Compliance with this substance abuse policy is a condition of employment. The failure or refusal by an applicant (positions with a CDL, commercial driver's license, pipeline or safety sensitive) or employee to cooperate fully by signing necessary consent forms or other required documents or the failure or refusal to submit to any test or any procedure under this policy in a timely manner will be grounds for refusal to hire or for termination. The submission by an applicant or employee of a urine sample that is not his/her own or is adulterated shall be grounds for refusal to hire or for termination.

I, _____, have read the above consequences of a confirmed positive drug and/or alcohol test result and/or verified positive drug and/or alcohol test result statement.
