Ordinance 2016-09:

Ordinance No. 2016-09, an ordinance entitled, “An Ordinance adopting the annual budget and capital program and tax rate of the City of Fayetteville, Tennessee for fiscal year 2017,” was considered. Said Ordinance is as follows:

ORDINANCE NO. 2016-09
AN ORDINANCE ADOPTING THE ANNUAL BUDGET AND CAPITAL
PROGRAM AND TAX RATE OF THE CITY OF FAYETTEVILLE,
TENNESSEE FOR FISCAL YEAR 2017,

Whereas, the budget process is one of the most important activities undertaken by governments for the public welfare, the budget process being used to make program, service and capital decisions and allocate scarce resources to programs, services and capital;

Whereas, the financial plan developed in this process being the document to communicate the plan the Board of Mayor and Aldermen has decided to implement for the coming fiscal year;

Whereas *Tennessee Code Annotated* Title 9 Chapter 1 Section 116 requires that all funds of the State of Tennessee and all its political subdivisions shall first be appropriated before being expended and that only funds that are available shall be appropriated;

Whereas, the Municipal Budget Law of 1982 requires that the governing body of each municipality adopt and operate under an annual budget ordinance presenting a financial plan with at least the information required by that state statute, that no municipality may expend any moneys regardless of their source except in accordance with a budget ordinance and that the governing body shall not make any appropriation in excess of estimated available funds;

Whereas as the Board of Mayor and Aldermen held a hearing where the City Administrator submitted the proposed budget and capital program on June14, 2016 at 5:00 pm in a regular meeting of the Board of Mayor and Aldermen and following the hearing, the Board considered final passage of the proposed budget;

Whereas, *Tennessee Code Annotated* Title 6 Chapter 56 Section 206 requires that the Board of Mayor and Aldermen publish the annual operating budget and budgetary comparisons of the proposed budget with the prior year (actual) and the current year (estimated) in a newspaper of general circulation not less than ten (10) days prior to the meeting where the governing body will consider final passage of the budget, and said budget was published on May 25, 2016 in *The Elk Valley Times*;

Now, therefore be it ordained by the Board of Mayor and Aldermen of the City of Fayetteville, Tennessee, that:

Section 1: **REVENUES.** The following is a list of funds available for appropriation. Any portion of the fiscal year 2016 appropriations remaining unexpended and unencumbered shall be credited to the general fund, except that any balance remaining in any other fund at the end of the fiscal year may remain to the credit of that fund and be subject to further appropriation in accordance with *Tennessee Code Annotated* Section 6-56-211.
