

# 2019 Fillmore County Permanent No Spray Request Form

If you would like to avoid the hassle of filling out a "No Spray Request Form" each year, you now have the option of an extended agreement. You are receiving this option because you have already signed up for the annual agreement and have "No Spray" signs placed in your designated road ditch.

When the principle operator of the parcel on the contract changes ownership, it is your responsibility to notify the Fillmore County Highway Department to reevaluate/void the agreement.
