FORT STOCKTON HOUSING AUTHORITY**

**REVIEW: SEMAP Certification FYE 9/30/2022 (see attachment).**

---

*The section eight management assessment program (SEMAP) measures the performance of the public housing agencies (PHAs) that administer the housing choice voucher program in 14 key areas. SEMAP is used to remotely measure PHA performance and administration of the housing choice voucher program. SEMAP uses HUD's national database of tenant information and information from audits conducted annually by independent auditors. HUD will annually assign each PHA a rating on each of the 14 indicators and an overall performance rating of high, standard, or troubled. Regulations are found at 24 CFR 985.*

OMB Approval No. 2577-0215

**SEMAP CERTIFICATION (Page 1)**

Public reporting burden for this collection of information is estimated to average 12 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. This agency may not conduct or sponsor, and you are not required to respond to, a collection of information unless it displays a currently valid OMB control number.

This collection of information is required by 24 CFR sec 985.101 which requires a Public Housing Agency (PHA) administering a Section 8 tenant-based assistance program to submit an annual SEMAP Certification within 60 days after the end of its fiscal year. The information from the PHA concerns the performance of the PHA and provides assurance that there is no evidence of seriously deficient performance. HUD uses the information and other data to assess PHA management capabilities and deficiencies, and to assign an overall performance rating to the PHA. Responses are mandatory and the information collected does not lend itself to confidentiality.

Check here if the PHA expends less than \$300,000 a year in federal awards   
 Indicators 1 - 7 will not be rated if the PHA expends less than \$300,000 a year in Federal awards and its Section 8 programs are not audited for compliance with regulations by an independent auditor. A PHA that expends less than \$300,000 in Federal awards in a year must still complete the certification for these indicators.
