### **LAWN SPRINKLERS - PERMIT INFORMATION**

When a permit for a lawn sprinkler is applied for the following procedures should be followed:

1. Waiver of Release of Liability for sprinklers installed in the parkway.
2. Permit must be filled out in its entirety with names, address and phone numbers.
3. A site plan "plat of survey" will be submitted to the Village showing the building, the location of the RPZ **ON THE OUTSIDE OF THE BUILDING**, the main and branch line pipe and the number of sprinkler devices on each line.
4. Type of RPZ with a copy of manufacturers specifications on the unit.
5. Name of the Illinois licensed plumbing contractor doing the in house work and the RPZ installation and the test of the RPZ.
6. Review work will be done in the office and all questions to the contractors will be by phone.
7. After the review is completed and approved the entire permit and paper work will go to the front desk from which the applicant will be notified that the permit is ready and approved.
8. No work will begin until the permit is paid for and the contractor is licensed and bonded with the Village of Frankfort.
9. The sprinkler contractor will notify the plumbing inspector that the sprinkler system is completed and ready for the final inspection inside and outside the building.
10. **The final grade must be in conformance with the engineered plans of the subdivision prior to issuance of the sprinkler permit. Installation of the sprinkler system prior to the appropriate grades/swales being established will be subject to removal and adjustment by the sprinkler contractor.**
11. **Must be a registered irrigation contractor per Plumbing Code Section 892.20**

(225 ILCS 320/37) (from Ch. 111, par. 1135)

Sec. 37. Each governmental unit which is authorized to adopt and has adopted any ordinance or resolution regulating plumbing may provide for its administration and enforcement by requiring permits for any plumbing system installation, the inspection of plumbing system installations by inspectors who are licensed as plumbers in accordance with the Illinois Plumbing License Law, and the issue of certificates of approval or compliance which shall be evidence that a plumbing system has been installed in compliance with the Code of standards so adopted.

A letter of intent shall be included with all plumbing permit applications. The letter shall be written on the licensed plumber of record's business stationery and shall include the license holder's signature and, if the license holder is incorporated, the license holder's corporate seal. If the license holder is not incorporated, the letter must be notarized.

A governmental unit authorized to adopt regulations may, by ordinance or resolution, prescribe reasonable fees for the issue of permits for installation work, the issue of certificates of compliance or approval, and for the inspection of plumbing installations.
