COMMERCIAL ASPHALT RESURFACE & SEALING

OVERVIEW:

A permit is required for resurfacing, repairing, and resealing of parking lots in all commercial and industrial districts. The current permit fee is \$35.00.

APPLYING FOR THE PERMIT:

The property owner will need to submit the following information when applying for this permit:

- Complete and submit a building permit application.
- Provide a detailed description of the proposed work and the contract proposal.
- Provide a site plan identifying the limits of the proposed work.
- For parking lot resealing, provide a site plan that shows the proposed parking spaces including handicap accessible parking. All accessible parking spaces shall be in conformance with the latest addition of the Illinois Accessibility Code.
- A traffic management plan should be considered, and precautions taken to protect pedestrian traffic.
- Contractor registration is required prior to issuance of the permit.
- **Required Inspections:** Final building site inspection is required.
