## CONSTRUCTION TRAILERS

---

### OVERVIEW:

A permit is required for all construction trailers on the job site and must be an accessory to construction project and removed prior to occupancy. The current building permit fee is \$115.00.

### APPLYING FOR THE PERMIT:

The property owner will need to submit the following information when applying for this permit:

- Complete and submit a building permit application.
- Submit a plat of survey indicating the proposed location of the trailer.
- Provide manufacturers information on the trailer.
- Provide information on the electrical service connection for the trailer.
- Provide information on the steps and accessible ramp for the trailer.
- Contractor registration is required prior to issuance of the permit.
- **Required Inspections:** Final site inspection to verify placement, access into the unit and electrical.
