FOUNDATION REPAIR

OVERVIEW:

A permit is required for foundation repair. This permit is a no fee permit.

APPLYING FOR THE PERMIT:

The property owner will need to submit the following information when applying for this permit:

- Complete and submit a building permit application. There is no fee associated with this permit.
- Submit a detailed description of the proposed work including material specifications.
- Contractor registration is required prior to issuance of the permit.
- **Required Inspections:** If the method of repair is to remove a portion of the foundation, then a re-pour inspection will be required prior to placement of concrete. A final inspection is also required at the completion of the job.
