## RE-ROOFS

---

### OVERVIEW:

A permit is required for all roofing projects. This is a no fee permit.

### APPLYING FOR THE PERMIT:

The property owner will need to submit the following information when applying for this permit:

- Complete and submit a building permit application.
- Provide detailed description of the proposed work including material specifications, including information on the ice and water shield application.
- Provide a copy of the contractor's proposal.
- Submit Developers approval and or Homeowners Association approval if applicable for your subdivision.
- Contractor registration and a copy of the contractor's state license are required prior to issuance of the permit
- **Required Inspections:** None.
