SATELLITE DISH

OVERVIEW:

A permit is required for the installation of a satellite dish. The current building permit fee is \$50.00.

APPLYING FOR THE PERMIT:

The property owner will need to submit the following information when applying for this permit:

- Complete and submit a building permit application.
- Submit information on the size and proposed location of the satellite dish.
- One parabolic satellite dish-type antenna per zoning lot, which is not more than (2) feet in diameter. All satellite antenna facilities shall be located away from the street right-of-way, or otherwise screened from the view from any street by an opaque fence, wall, or hedge of a minimum height of (6) feet.
- Submit Developers approval and or Homeowners Association approval if applicable for your subdivision.
- Contractor registration is required prior to issuance of the permit.
- **Required Inspections:** Final inspection to verify compliance with the approved drawings.
