## SEWER REPAIRS

---

### OVERVIEW:

A permit is required for all sewer repairs. The current permit fee is \$55.00.

### APPLYING FOR THE PERMIT:

The property owner will need to submit the following information when applying for this permit:

- Complete and submit a building permit application.
- Provide detailed description of the proposed work including material specifications and method of repair.
- Submit Developers approval and or Homeowners Association approval if applicable for your subdivision.
- Contractor registration is required prior to issuance of the permit.
- **Required Inspections:** An underground plumbing inspection is required prior to backfilling the site.
