TUCK-POINTING

OVERVIEW:

A permit is required for masonry tuck-pointing throughout the residential, commercial and industrial districts. This is a no fee permit.

APPLYING FOR THE PERMIT:

The property owner will need to submit the following information when applying for this permit:

- Complete and submit a building permit application.
- Submit a copy of the proposal as it relates to the proposed work including material specifications.
- Tuck-pointing adjacent to the public-way in the commercial and industrial districts must provide a safety plan as it relates to providing protection to the public. Submit details.
- Contractor registration is required prior to issuance of the permit.
- **Required Inspections:** None.
