## WATER WELL (IRRIGATION ONLY)

---

### OVERVIEW:

A permit is required for the installation of irrigation well. The current permit fee is \$345.00, which includes the (3) year operating permit.

### APPLYING FOR THE PERMIT:

The property owner will need to submit the following information when applying for this permit:

- Complete and submit a building permit application.
- Submit a plat of survey that shows the location of the proposed well in relation to the property lines, location of the water and sanitary lines.
- Submit a signed approved copy of the water well permit from Will County Health Department.
- Contractor must be licensed in accordance with state regulations and registered with the Village of Frankfort prior to issuance of the permit.
- The maximum allowable pump size shall not exceed 2H.P. with a pumping capacity not to exceed 20 gallons per minute. The maximum depth of the irrigation well cannot exceed (140) feet.
- Submit a signed statement by the applicant that the owner has read and is familiar with the Village ordinance governing the installation and use of the well.
- In addition to the initial permit the owner shall pay for a three-year operating permit of (\$45.00) and be subject to periodic inspections by the Village of Frankfort Building Department in order to maintain the minimum requirements of the ordinance.
- **Required Inspections:** Final inspection to confirm the well is in conformance with the submitted plans/drawings.
