This does not include articles which contain items of a confidential nature such as but not limited to, personal property statements, Poverty Exemption applications and any filings pertaining to Principal Residence Exemptions which can include income information as well as Social Security numbers. Property record cards, assessment rolls and the like are available for inspection during regular city hall business hours Monday through Friday, 8:00 a.m. to 4:30 p.m. or by appointment. Charges for copies are determined on a per page basis established by the City Council in the most current 'Schedule of Fees and Charges'. Requested information will be provided no later than five (5) working days following the inquiry and consistent with Freedom of Information requests. Property record cards are also available on a continual basis on the city's website administered by B.S. & A. Software with charges determined by the software company.
