Welcome Back to the 2022-2023 School Year!

I hope everyone has had an exciting summer filled with fun. I have appreciated the time with family and the opportunity to enjoy many different summer activities.

I hope this year we can come together to start the year with a goal that every student who leaves our school buildings after Day 1 is aware that they are valued and have a voice. Our students need us every day, and with the staff we have in place, we can accomplish great things this school year.

I am excited to continue the work that we have started and build on the improvements that we have made. The work done this summer by many of you has been significant and will provide a strong foundation for a successful school year.

Our first opportunity to work as a group will be on August 16<sup>th</sup>. The chance to make an impact face to face with our students will start on August 23<sup>rd</sup>. Regardless of your role in the district, every employee plays a significant part in how the year will go for our students. Let's work together this year to emphasize the potential of every child in our district to be great.

Important upcoming dates:

- August 3 & 15 - New certified staff training
- August 17<sup>th</sup> - Welcome back in-service for all staff at 8:00 at the THS Auditorium
- August 17<sup>th</sup> - District-wide lunch for staff and families at noon in the THS parking lot
- August 23<sup>rd</sup> - First day with students

I would like to welcome the following new staff members to Goshen County as they start their first full year with the district:

- |                     |                   |                   |
