May 12, 2023	Collegial Meetings All Grades K-5 & 6-12

1. There are five Collegial Fridays for Grades K-5 (Sep, Nov, Jan, Mar, Apr, and May), plus two half-day collegial meetings from 12:30-3:45 p.m. on both October 11th and February 20th
2. There are five Collegial Fridays for Grades 6-12 (Sep, Nov, Jan, Mar, Apr, and May), plus two half-day collegial meetings from 12:30-3:45 p.m. on both October 11th and February 20th
3. Each Collegial Team will have five Fridays (10 hours) and two ½ Day Professional Development Days (6 hours) devoted to Collegial Meeting Time (16 Hours Total for 2022-2023 School Year).
4. Teachers who still belong to two Collegial Teams will be asked to split their time on those Fridays so that you are meeting with each of your teams for an hour each.
5. All K-12 Collegial Teams (PE/Health, ART, Music) are asked to meet when during the 6-12 Collegial dates listed above.
6. Collegial Teams are encouraged to meet in person. Collegial Meetings do not have to occur at Central but that is always an option if there are meeting rooms available. You must sign up in advance. Collegial Meetings can be held at the buildings, and you are again encouraged to rotate the meeting sites so that all of your team members have the opportunity to visit your classroom. During the Collegial Leader Meeting in May, we will ask for your team to have a preliminary idea on where you would like to meet on those scheduled days listed above. This is necessary so that the principal of that building knows which Collegial Teams to expect on any given Friday.
7. Given travel time to and from different school sites, the expectation would be to start your Collegial Meetings by 2:15 p.m. to allow for ample travel time.
8. If weather becomes an issue for team members to travel to and from your school site where you planned on meeting, then ZOOM will be the next option. There are no Collegial Meeting make up days. The days that are listed are the days that you are expected to meet.
9. Sign in sheets will still be a necessity for attendance of Collegial Meetings. Since we will know ahead of time which Collegial Team is meeting at which building site we will deliver the sign-in sheets principals prior to your meeting day. The principal will be the responsible party that will deliver the sign-in sheets to Kim Cawthra.

If you are not meeting with your Collegial Team on any of the Fridays listed, then you will be participating in Staff Meetings, Building Level PLC's, or Building Problem Solving Teams as designated by your building principal. Principals have until the end of May to determine how they will use that time as determined by building needs.
