MAYOR CRITCHLOW'S MESSAGE

At this season of thanks, I express gratitude for the great country we live in, the freedoms we enjoy, and those who have served to preserve those freedoms for us. I also express appreciation for those in our city who volunteer their time and talents to make this a great community including youth sports coaches, school volunteers, firefighters, our beautification committee, those involved in hosting community events, and countless others. "Gratitude can transform common days into Thanksgivings..." William Arthur Ward
