This Intent to Serve form is part of the water, sewer, and roads connection process. Please note, Grantsville City will provide water, sewer, and street connection services to a residential or commercial building project **provided** there is sufficient ability to serve, if fees are paid on time, and if all steps are completed in accordance with City, State, and Federal regulations. Utility modeling must be submitted to determine the impacts to the City's systems. Traffic impacts and any environmental impacts must also be considered and summarized for review. Intent to Serve approvals issued will be honored for a period of one calendar year from the date signed by an authorized signor for Grantsville City.

All excavations are required to meet Grantsville City specifications for back fill materials and compaction. Excavations will be inspected by Grantsville City prior to and during backfill operations.

Any approval rendered under this permit does not imply approval to cross any private property or right-of-way and pertains to Grantsville City rights-of-ways and/or easements. Approval under this application is in accordance with all laws and ordinances of the State of Utah and Grantsville City.

Applicant is responsible for determining ownership of right-of-ways and easements.
