

THE MAYOR'S NEWSLETTER

MARCH 2022

MESSAGE FROM MAYOR CRITCHLOW

Thank you for your continued support as we are working on several fronts to make our community a better place. These include adding a business directory to the city webpage, planning a clean-up and upgrade of the rodeo grounds. Our beautification committee has plans for sprucing up Main Street, and the Public Works Department is making plans for the cemetery. There will be many opportunities for citizens to volunteer as these, and other projects, are carried out.

Congratulations to the GHS wrestling teams!
