MAYOR CRITCHLOW'S MESSAGE

I appreciate all the positive things that have happened in our city during the past four months. I want to make our citizens aware that we have a group of volunteers who are planning community events for the upcoming months. We also have a Beautification Committee who have some good ideas to spruce up our city. If you are interested in becoming involved, please contact Councilwoman Jenkins for the community activities and Councilman Bevan for the Beautification Committee.
