MAYOR CRITCHLOW'S MESSAGE

As many of you may be aware, our police chief, Jacob Enslin, will be leaving us as he and his family move out of state. I appreciate his service and positive impact in our community. We wish him and his family well as they move on to this next chapter in their lives. As we are experiencing winter weather, I encourage you to be aware of your neighbors, especially those who may need special attention. As always, please know that I welcome your questions, concerns, and ideas.
