April 2023

MAYOR CRITCHLOW'S MESSAGE

As everyone is aware, we have a large amount of snow in the mountains that will be melting in the coming weeks. The city has made some preparations in anticipation of this. I encourage you to make preparations for your property and your neighborhood. The city is providing self-serve sandbag stations, which are free of charge. There are two locations. One is by the public works building next to the cemetery on West Main Street. The other is located just inside the north gate of the rodeo grounds on East Clark Street. Remember to bring a shovel. Also, please do your part to beautify our city by doing some spring cleaning in your yard, including the area between the front of your property and the street. Happy Easter everyone!
