May 2023

MAYOR CRITCHLOW'S MESSAGE

Runoff from the melting snowpack is a concern for everyone. We are closely monitoring the situation and are grateful for the weather conditions we've been blessed with thus far. We appreciate those who have been proactive about getting sandbags to protect their homes and neighborhoods. Remember there are two sandbag filling stations for citizens to use—one behind the city public works building on West Main Street and one by the rodeo grounds on East Clark Street
