MAYOR CRITCHLOW'S MESSAGE

The summer activities held in our city have been a wonderful way to gather as a community. Thanks to those involved in planning and carrying out these successful events. The general election for 3 City Council positions as well as the 2nd Congressional District will be held in November. Registered voters should receive a ballot in the mail. If you do not receive one, or if you have questions, contact the Tooele County Clerk. As you prepare for the coming winter season, please take time to spruce up your yard. This includes the parking strip in front of your residence.
