REMINDERS

The Dog Clinic which was originally scheduled for March 26th will be postponed until June. We will advertise the date when we know it. If you do not need the clinic and your dog is current on it's rabies shot, you can call City Hall at 435-884-3411 and renew over the phone. We can mail you the new tag. There will not be a late fee added to dog licenses.

Grantsville City wanted to celebrate **Arbor Day** by offering trees at a low cost. Due to the coronavirus, we are cancelling the program for April and will reschedule the tree program in the fall. If you already handed in your application and paid for your tree, we will call you and refund your money. We will advertise the new tree application deadline in the coming months.

*It's time for Spring Cleaning! Next month, the City will offer an extra bulk pick-up day for residents. This is a great opportunity to get rid of junk from your yard and home. Please follow the rules for bulk pick-up or it will not be taken. You can find the rules for bulk pick up on our website www.grantsvilleut.gov.

- If your regular garbage pick-up day is Wednesday or Thursday, there will be bulk pick-up for your home on Monday, May 18th **AND** Tuesday, May 26th.

I would like to thank Grantsville residents for adapting to the changes that we face daily. With the COVID-19 and the earthquake, it has put new meaning to the words "Be Prepared" and how we respond to our trials. There are many positive experiences in our daily lives. We see many people rise to the challenge of helping neighbors, friends, family and even strangers. A big thank you to residents for maintaining civility and compassion. We will be stronger for the outcome of this experience. We will prevail. Stay calm. Thank you.
