FOR YOUR INFO

The public may attend the city council and planning and zoning meetings. However, due to the need to social distance, the number attending will be limited and those with agenda items will have priority. Those attending must wear a mask. You may watch the meetings via Zoom.

Remember you can always send public comments for the City Council via email to cwebb@grantsvilleut.gov. ALL comments will be distributed to ALL city council members. Public hearing comments for planning and zoning agenda items can be emailed to kclark@grantsvilleut.gov. ALL comments sent will be distributed to ALL planning and zoning members.

****Please see the reverse side for information concerning water cross-connections. You will be financially responsible if your connections contaminate city water.**

REMINDERS

We received very creative and unique logos. Thank you to everyone who participated in our logo contest. The winner will be announced at a City Council meeting and on our Facebook page.

With a lot of new homes being constructed, some residents may not be aware of city code. Here are a few reminders for all home owners.

All residents need to have city permission to fill in the swell in the front, back, or the side, of your property. Doing this can disrupt the retention of water and cause flooding for neighbors.

Creating a second access into your yard also requires city permission, as does cutting into existing curbing around your driveway or yard.

Cement around your city water meter is not allowed because it hinders access in case of a leak. Please email kclark@grantsvilleut.gov or croberts@grantsvilleut.gov for more information.

School will be starting on Tuesday, August 25th. Just a reminder to be vigilant in watching for students walking or riding bikes to school. Please be courteous and follow crossing guards' instructions so they may get students to school safely. Make sure to wait for buses when students are loading and unloading, and please follow the speed limit in school zones. Please visit www.tooeleschools.org for school information. Let's have a very safe school year.

The 2020 Tooele County Fair will have a few events this year. The livestock show, as well as a few horse events, are happening. Check out tooelefair.org for other events and updated information.

Come support the 4-H and FFA kids who have worked hard all year. The Market Livestock sale will be Saturday, August 8th at 9:00 a.m. Show up early. Grand and Reserve Champions sell first.

SPECIAL THANKS

Thank you to the community for showing your support for our first responders. Our Police Dept. and Fire Dept. appreciated all the drinks, goodies, cards, etc. that were dropped off. Thank you Family Dollar, and those that supported their collection of drinks for those working hard in our city.
