Be a good neighbor and remember City Code 17-2-13 that states residents need to remove the snow from the sidewalks in front of their property. We also ask that residents do not park on the street. This helps our snow plows do a better job.

The Grantsville City Police are participating in the "Shop with a Cop" program this year. If you would like to help a needy child to have a great Christmas, you can bring in a donation to City Hall or Venmo your donation to @Shop_with_a_cop_TVAlley. The 'Tip A Cop' program was held in November this year. Get your donation in before the 'Shop with a Cop' day on December 19th.

Grantsville City will begin selling cemetery plots for the city's 'North Cemetery' on Dec. 1, 2020. This is the area north of the Clark Farm. The cost for Grantsville residents in the 'North Cemetery' is \$700 per plot (\$500 plus a one time maintenance fee of \$200) and for non-residents the cost is \$1700. There are still some plots available in the extension area of the old cemetery. There will be a transfer fee of \$25 per plot (plus the \$200 maintenance fee) for anyone wanting to transfer vacant plots to the 'North' section. For more information, please contact the cemetery clerk at 435-884-4601.

REMINDERS

Reminder that Business Licenses renewals are due by December 31st. If you have a home base business, you can come to City Hall to pick up your license.

The Grantsville Sociable Committee is collecting names and addresses of those Grantsville residents who were born on or before 1946 (Class of '64). If they don't already have your info., please send it to janice.marriott@gmail.com. They are not sure if the Sociable will happen, but want to plan in case.

City Hall has a donation box for the Toys for Tots program. It is located inside the foyer.

Vandalism is still happening at our city parks. If you know or see something, please call our Police Department.

SPECIAL THANKS

The City would like to thank Rocky Mountain Power and the LakeView Business Park for their donation toward our local STOP THE BLEED campaign. These donations will put a STOP THE BLEED kit in every classroom at GHS. The goal is for every classroom in Grantsville to have a kit. To learn more about STOP THE BLEED, visit stopthebleed.org. We will also accept donations at City Hall to purchase additional kits.

Merry CHRISTMAS

As you celebrate the glory of this miraculous season,
may your home be filled with love, peace and joy.
May these blessings follow you throughout the New Year.
2020 has been quite the year for our residents. We have
worked from home, became teachers, and stay at home
parents. But most importantly, we stayed safe and
enjoyed quality time with our families.

Wishing your family a Merry Christmas this holiday
season, with a New Year filled with happiness.
May the true spirit of the season find you and fill your
heart with peace and joy.
This is the most wonderful time of the year.

Mayor Brent K. Marshall
