## SPECIAL THANKS

I would like to offer a very special thank you to the community of Grantsville for coming together during such a tragedy. I would like to thank the Grantsville Police Department for their professionalism, hard work and long hours still yet to come. I would like to thank all of the other law enforcement and investigative agencies that have been so supportive and have given their time and expertise. I would also like to thank the churches, businesses, and anonymous donors who have contributed to help ease the pain for the family.
