On Oct. 7, 2020, the City Council adopted Resolution 2020-28 that states that water, sewer and garbage rates will increase 2% annually beginning January 1, 2021. You will see the increase on your February utility bill that is for your usage in January.

## REMINDERS

The City will have a dumpster available for residents to dispose of their real/live Christmas trees. It will be located at 424 E. Clark Street (near the arena). All trees must have ALL decorations removed. It will be available on January 4th and will be removed on January 10th. This dumpster is for real Christmas trees only.

The free COVID-19 testing center at the ball field will remain open through January. Please utilize this opportunity to get tested if you have symptoms or have been exposed to the virus. You can pre-register at [doineedaCOVID19test.com](https://doineedaCOVID19test.com). Results are emailed to you in 3-5 business days.

Hopefully we will have a lot of snow this month. When we do, please remember to not park on the streets and remove trailers, etc., off the road so snow plows have room and access to remove the snow.

A reminder that business license renewals were due on Dec. 31st. Those who do not renew their licenses by the end of January, will see their license fee double. Renewal fees can be paid by phone at 884-4603 or coming into City Hall. Home occupation business owners can pick up their licenses at City Hall.

The Grantsville Sociable Committee is collecting names and addresses of those Grantsville residents who are turning 75 in 2021 and not already on the honored guest list. If they don't already have your info., please send it to [janice.marriott@gmail.com](mailto:janice.marriott@gmail.com). The committee has scheduled the Sociable for March 20, 2021. The theme is "Grantsville, City of a Million Dreams."
