## REMINDERS

Our annual fireworks show can happen this year! It will take place on Saturday, July 4th at approximately 10:00 p.m. Please remember social distancing. If you can view the fireworks from another location or your home, please do so. The City wishes all residents a very Happy 4th of July and we will continue our great tradition of fun activities next year.

Grantsville City is wanting to update the **city logo**. We know our residents are very creative, so we are having a **contest**. Submit a new logo design that represents Grantsville by July 23rd. Send it to [cmathis@grantsvilleut.gov](mailto:cmathis@grantsvilleut.gov). It can represent history, scenery, local culture, etc. Please visit our website at [www.grantsvilleut.gov](http://www.grantsvilleut.gov) for an entry form and contest rules. The winner will receive \$500.

*Nate Austin Basketball Camps:* The camps are for all ages (K-12) on July 15-16 and July 22-23 at the GHS Gym. The camp is for all abilities. It will consist of individual skill work, competitions, team games, a T-Shirt, and fun! Sign up for one camp or both. Sign up at [bit.ly/3hvky09](https://bit.ly/3hvky09).

This is a very dry year and the fire danger is high. Grantsville City wants to encourage all residents to be very careful with personal fireworks. Fireworks are permitted in designated areas only. These areas include from Matthews Lane west to the east side of West Street and from Clark Street to Durfee Street. For subdivisions on the outskirts of this boundary, please use the interior portion of the subdivision. If there is a dry vacant weed area close by, do not light fireworks. Prevention at this time is our safest alternative. To prevent a fire from encroaching on your home, keep the vegetation mowed short. State and City code requires that fireworks are only allowed to be discharged from July 2nd-5th and July 22nd-25th, between the hours of 11 a.m. and 11 p.m., except that on July 4 and July 24, the hours are 11 a.m. to midnight. Please be careful and courteous.

## COVID -19 INFO.

The Tooele County Health Dept. reported that Grantsville City has had **31 COVID-19** cases and are currently monitoring **7** active cases. As a city, we are concerned about our residents' health. Please use best practices and common sense when around others. Life isn't as it used to be. We all need to show kindness to each other, no matter what side of the Coronavirus fence we stand on.
