REMINDERS

Message from Marilyn K. Gillette, Tooele County Clerk about Primary Election: "Ballots for the upcoming Primary Election will be coming to your mailbox the 2nd week in June. I can't express how important it is that you vote the ballot that you receive. Please vote it as soon as possible. Once the ballot gets to us, it has to sit for 3 days before we can process it, due to COVID-19.

- Last day to register is June 19th.
- There will be NO in-person polling locations in Grantsville.
- On Election Day, June 30th, there will be a mobile polling location at the County Building. This will only be for the disabled, if you did not receive a ballot, and for emergencies only.
- There is only one ballot available for Grantsville residents, the Republican Party ballot.
- If you are a registered Republican, a ballot will be mailed to you.
- Unaffiliated voters who want to vote the Republican Ballot, will have to affiliate with the party by June 19th.

We will do everything to help you vote, however, we are bound by the law. Please vote the ballot you receive in the mail. If you have moved, re-register before the June 19th deadline." For questions contact Marilyn Gillette at mgillette@tooeleco.org or 435-843-3148

The Tooele County School District will continue the Summer Lunch Program beginning May 27th until June 30th. Details for July and August will be announced later. Grantsville students may pick up their lunch from 11am to noon on Monday's and Wednesday's only at Grantsville Elementary (50 Park Street). This will be a drive-thru or walk up and grab only. This is free for all students.

Saturday, May 16th, Grantsville City reopened the playgrounds. Hand sanitizer stations have been installed for your safety. Please keep an eye out for vandals who are destroying our parks and restrooms. We are trying our best to have updated and safe playgrounds and facilities. It helps everyone when we collectively look out for our town's equipment and resources. The pavilions are available to rent and use according to state coronavirus guidelines. Currently, it is a gathering of 50 people or less.

SPECIAL THANKS

We would like to thank the residents of Grantsville for their patience and cooperation during this time. The City has been following the guidelines set by Governor Herbert. We want all residents to be safe and healthy.
